

<b>Infrastructure, Planning and Sustainability Committee</b>			
<b>Committee Members:</b> ____ (Chair), Beale, ____, McCarthy, Alternate-Hunter <b>Executive Liaison:</b> Kurtis Kingsolver; <b>Staff Support -</b> Claire Goodwin		<b>1st and 3rd Wednesdays</b> <b>4:30 p.m.</b> <b>Room 248</b>	<b>CBC Assignments:</b> •Sustainable Tacoma Commission •Planning Commission •Landmarks Preservation Commission •Board of Building Appeals •Transportation Commission
<b>January 1, 2020</b>	CANCELLED		
<b>January 15, 2020</b>	Scooter and Bike Share Program Update & Next Steps	Liz Kaster, Senior Planner & Active Transportation Coordinator, Public Works	Electric scooter and bike share updates.
	Neighborhood Engagement and Standards for Construction Projects Program Update	Corey Newton, Site and Building Division Manager, Planning and Development Services	Project overview update regarding how an evaluation will be completed on the key topics and timeline resulting from the Resolution passed Oct. 6, 2019 directing review and recommendations around neighborhood engagement and standards for construction projects.
<b>February 5, 2020</b>	Underground Storage Tanks and Groundwater Protection (tentative)	Esther Beaumier, Program Manager, Health Department	Informational briefing from County Health Department regarding underground storage tanks and groundwater protection.
	Small Cell Deployment on City Street Lightpoles (tentative)	Kurtis Kingsolver, Leigh Starr, and/or Steve Victor (tent.)	Status update and presentation on small cell deployment on City street light poles. Cellular companies are working to better improve the coverage area and preparing for 5G deployment. This requires "small cells" and will be prevalent in the City - utility poles and street lights. The FCC has said the City must allow these devices. City will need to work with cellular companies to develop a master contract.
<b>February 19, 2020</b>	Limiting New Storage Unit Developments	Brian Boudet, Planning and Development Services Division Manager	At the request of CM Blocker, staff will present current municipal code which allows storage unit developments in the City and make recommendations on limiting their expansion. The problem is defined as new storage unit developments are used on land that could be used for affordable housing.
