

Community's Police Advisory Committee

Community Vitality and Safety Committee Meeting
October 8th, 2020
ITEM #2

OVERVIEW

- Community's Police Advisory Committee
 - Effective and engaged
 - Dramatically changed roles and focus
 - Very diverse group
 - Adjusted to Covid realities.

Foster Understanding

- Several Members attended Project PEACE meeting in 2019 and interacted with attendees
- Increased presence at community festivals/events
- Attended Neighborhood Council meetings
- Presented at Council of Neighborhood Councils.
- 2020 (Covid limitations) – Responded to CPAC emails

3

Promote Awareness of Complaints

- Developed fliers and strategy for increasing complaint process awareness.
- Presented to community and neighborhood leaders the process of complaints/compliments
- Reviewed each complaint resolution
- 2020 Continued reviews/selected 5 per quarter to discuss

4

Generate Interest and Awareness

- TPD Citizen's Academy strong recommendation for members. (Familiarize members with practices)
- Members with familiarity of practices speaking out at meetings to foster greater understanding
- Active invitations for residents to attend meetings
- 2020 – (Covid limited) Public Comment/Email input

5

Equal Protection under the law

- Focused on
 - Domestic Violence
 - Officer Involved Shootings/ Use of Force
 - Complaint trends
 - Community Trauma
- 2020 - Mr. Ellis, Mr. Branch, community, BLM

6

Community Trauma Response Team

- Closest point to implementation since idea originated in 2015
- Process up through negotiation of contract
- Appreciate City's help in resolving last issues; determined to implement
- 2020 showed many opportunities for CTRT to respond and have effective relationships during unrest

7

2020 Active support

- Bloomberg Survey
- Obama's Mayor's Pledge
- 8 Can't Wait
- Body Camera review and recommendations
- Community Trauma Response Team
- Vision Zero Traffic injury/fatality reduction

8

2021 and beyond

- Develop strategies to build needed better relationships between residents and TPD
- Monitor implementation of Body Cameras
- More person to person outreach (Covid-19)
- Better understanding by members with TPD practices
- Use of Force Continuum Review/Development

9

CPAC 2020-2021 (Needs)

- Access to funds for materials creation, printing and distribution; tent rent at festivals in the future
- City Leadership to designate and install CTRT Project Manager before End 2020
- Youth seat filled
- Policy guidance and discussion moving to oversight body
