

MOTION FOR CITY COUNCIL CONSIDERATION

MAY 17, 2021

**I MOVE TO AMEND THE ORDINANCE BY ADDING AND AMENDING THE
FOLLOWING:**

Prohibit the expansion of, and any ancillary site/facility modifications, to any existing fossil fuel, chemical, and mining and quarrying uses, excepting only those fossil fuel projects which have previously been reviewed by the City under the State Environmental Policy Act, and for which mitigation has been identified and fully funded or completed, and allowing new renewable fuel facilities and expansion of existing fossil fuel facilities only where the expansion is related exclusively to renewable fuels, within all in all areas of the Tide Flats including the Port Maritime Industrial District, M-2 District, and the Shoreline District for the full duration of this extension of the Tideflats Interim Regulations.
