

WEEKLY REPORT TO THE CITY COUNCIL

August 26, 2021

Members of the City Council
City of Tacoma, Washington

Dear Mayor and Council Members:

ITEMS OF INTEREST

1. Mayor Victoria Woodards provides the attached **Council Action Memorandum amending the appointments of Council Members on the Economic Development Committee.**
2. Public Works Director Kurtis Kingsolver provides the attached memorandum outlining the efforts of **Tidy-Up Tacoma.**
3. Environmental Services Director Mike Slevin provides the attached informational briefing regarding the **Jefferson & Hood Street Interceptor and New Outfall Project.**
4. Please see the attached City of Tacoma **Weekly Meeting Schedule.**
5. Hygiene Stations: The City is currently **operating temporary hygiene stations at 8th and Yakima on private property and I-705 and 'A' Street on WSDOT-owned property.** These temporary stations provide restrooms, handwashing stations, trash removal and 24/7 on site security. The costs associated with operation of the station on WSDOT property is supported by the City's funding agreement with WSDOT to address encampments on WSDOT right of way and properties. Hygiene stations will remain in place through August while staff evaluates alternate shelter locations. **If community members have questions or concerns about either of the hygiene station locations, they are welcome to contact 253-250-1766.** More information on hygiene stations is available at www.cityoftacoma.org/hygienestations.
6. City-funded Temporary and Emergency Shelter Performance: The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. **This information can be found at <https://cms.cityoftacoma.org/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf> and is updated weekly.**
7. Senior Meal Delivery: Access to healthy meals is important to our senior population and the City has adjusted contracted services during the COVID-19 pandemic to ensure seniors can still access food while senior centers are not operating. **The City's contracted partner ensured pickup and delivery of 397 meals for the week of August 16- 20, 2021.**

8. **Rental Assistance:** The rental assistance portal is now open! Residents may find more information at <https://www.piercecountywa.gov/7142/Rental-Assistance>. The program provides up to 12 months of assistance dating back to March 2020 and serves households up to 80% of Pierce County Area Median Income. **Applicants may also qualify for utility assistance through the program.** The City's remains committed to reducing racial disparities in our service delivery and for this reason has a goal of providing at least 45% of the assistance to households headed by persons of color. In 2020, 638 households received assistance from the Tacoma Rental Assistance Program. Of those 638, 78% were households with the head of household identifying as a person of color. In 2021, 62% of households served to date are headed by persons of color. As of this week, the City has provided 372 households with \$2,799,566 in rental assistance and 641 households with \$700,579 in utility assistance in 2021. **This emergency rental and utility assistance is available from the U.S. Department of Treasury for expenditure through September 30, 2022.** The City's Rental Assistance Fund at the Greater Tacoma Community Foundation has received 28 gifts totaling \$30,820.

STUDY SESSION/WORK SESSION

9. **The City Council Study Session of Tuesday, August 31, 2021, will be conducted virtually.** The meeting can be heard by dialing (253) 215 – 8782 or through Zoom at www.zoom.us/j/89496171192 and entering the meeting ID 894 9617 1192; and passcode 896569 when prompted. This meeting will be broadcast on TV Tacoma and live streamed on Facebook.

The discussion items will include: (1) **Tidy-Up Tacoma**; (2) **Tacoma Theater's Management Update**; (3) **Homeless Program Update**; (4) **Systems Transformation**; (5) **Other items of Interest – Manuel Ellis Investigation Update**; (6) **Committee Reports**; (7) **Agenda Review and City Manager's Weekly Report**; (8) **Closed Session – Labor Negotiations**.

On our first agenda item, **City Leaders from various departments will provide a presentation on the City of Tacoma's plan to pick up litter**, remove graffiti and provide limited landscaping within business districts with support from the neighborhood cleanup efforts. This will also include the removal of litter and debris along State Routes into Tacoma starting Monday, September 13, 2021.

On our second agenda item, Tacoma Venues and Events staff will discuss **City of Tacoma's Theater's facility management contract**.

On our third agenda item, staff from the Neighborhood and Community Services department will be providing an **update on the City of Tacoma's homeless program**.

On our fourth agenda item, City Manager Elizabeth Pauli will be providing **an update on systems transformation**.

Under Other Items of Interest, the following item will be discussed:

- **Manuel Ellis investigation.**

10. The updated **Tentative City Council Forecast and Consolidated Standing Committee Calendars** are attached for your information.

MARK YOUR CALENDARS

11. There are no new events currently.

Sincerely,

A handwritten signature in cursive script, appearing to read "Elizabeth Pauli".

COPY: City Council and City Clerk
SUBJECT: Resolution – Amending the appointments of Council Members on the Economic Development Committee – 8/31/2021
DATE: August 26, 2021

SUMMARY AND PURPOSE:

A resolution amending the appointments of Council Members on the Economic Development Committee.

COUNCIL SPONSORS:

Mayor Victoria Woodards
Councilmember Conor McCarthy
Councilmember Robert Thoms

BACKGROUND:

In addition to incorporating feedback from the Council, Mayor Woodards strives to balance City Council committee, board, and commission assignments based on a number of criteria, including interests, expertise, schedule availability, and number of roles assigned.

Pursuant to the Tacoma City Charter and the rules, regulations, and procedures of the City Council, Mayor Woodards brings forward for your consideration a resolution that would better align committee assignments with councilmembers schedules and availability and name her as the alternate for the Council's Economic Development Committee.

COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH:

None was completed in advance of this action. Appointments to committees, boards, and commissions may be revisited at any time as needed based on feedback that may emerge.

2025 STRATEGIC PRIORITIES:

Equity and Accessibility: (*Mandatory*)

This is a routine appointment to a committee that takes up business related to economic development. Based on the adoption of Resolution No. 40622 on June 30, 2020, the Mayor and all Councilmembers have made a commitment to anti-racist system transformation.

Economy/Workforce: *Equity Index Score:* Moderate Opportunity
All indicators.

Livability: *Equity Index Score:* Moderate Opportunity
Decrease the percentage of individuals who are spending more than 45% of income on housing and transportation costs.

Explain how your legislation will affect the selected indicator(s).
The Economic Development Committee addresses a variety of policy issues related to the economic vitality of the City and the creation of livable wage jobs in Tacoma.

ALTERNATIVES:

Alternative(s)	Positive Impact(s)	Negative Impact(s)
1.Take no action		Committee business may be delayed or disrupted due to a lack of a quorum.

EVALUATION AND FOLLOW UP:
N/A

STAFF/SPONSOR RECOMMENDATION:
Mayor Woodards recommends approval of the resolution.

FISCAL IMPACT:
There is no fiscal impact.

Tadd Wille, Deputy City Manager
SUBJECT: Tidy-Up Tacoma 2021
DATE: August 25, 2021

Tidy-Up Tacoma 2021 is designed to implement the City's clean-up plan to support economic recovery. The COVID-19 pandemic has had a significant impact on many businesses in Tacoma. To support our business districts, Community and Economic Development, Environmental Services, Media and Communications, Neighborhood and Community Services, and Public Works staff have been working collaboratively to strategize our clean-up efforts, which will include litter pickup, graffiti removal, street sweeping, limited right-of-way landscaping within business districts, support for neighborhood clean-up efforts, and litter and debris removal along State routes into Tacoma.

Starting Monday, September 13, 2021, City staff from various departments will focus our clean-up efforts on the main arterials in our business districts. All business districts will be addressed, however, activities in Stadium and Hilltop will be limited by the Link Light Rail construction. City staff will also partner with Washington State Department of Transportation to clean our gateways into Tacoma and will work with community members for clean-up events in neighborhoods.

At the August 31, 2021 City Council Study Session, City leaders will present the Tidy-Up Tacoma 2021 clean-up plan in more detail.

SUBJECT: Informational Brief- Jefferson & Hood Street Interceptor & New Outfall Project
DATE: August 25, 2021

MPS

CMS

What is the Jefferson & Hood Street Project?

Background

Currently during intense rain events, flooding can occur in various areas of downtown Tacoma. This flooding can result in property damage and disruption to traffic. Providing additional capacity to the City's storm sewer system in this area in the form of a new 60-inch diameter interceptor pipe and outfall will help address the current capacity limitations and allow for future growth in the downtown area.

Project Stages

In 2017 the City determined that the progressive design-build contracting method offered significant advantages over the traditional design-bid-build (low bid) delivery method and was best suited to meet project goals. The City selected the design-build team of James W. Fowler (contractor) and Kennedy Jenks (design consultant) to design and build the new surface water interceptor and new outfall in two distinct stages.

Stage 1 of the Progressive Design Build contract included engineering preliminary services necessary to advance the design to 60 percent. Stage 2 tasks include the final design and construction of the project. Stage 2 work will be executed in two phases. Phase 1 of construction, included procurement of long-lead time materials and equipment, including sheet piling, steel/concrete/fiberglass pipe, and rental of a microtunnel boring machine. Phase 2 of construction is to include completion of the design and construction of the interceptor and new marine outfall.

Contract History

The original contract for Stage 1 Preliminary Services was approved by the City Council via Purchase Resolution No. 39943 in the amount of \$3,100,800, plus applicable taxes, in February 2018. The nature of a Progressive Design-Build contract plans for multiple amendments in order to work through the necessary project stages. These amendments are as follows:

Contract Amendment No. 1 increased Stage 1 Preliminary Services by \$175,000.00 in August 2020, bringing the contract cumulative total to \$3,275,800.00, plus applicable sales tax. Contract Amendment No. 2, for execution of Phase 1 of Construction, increased the contract by \$5,167,749.65 in June 2021, bringing the contract cumulative total to \$8,443,549.65, plus applicable taxes. A proposed contract increase for Phase 2 of Construction will be the third and final planned amendment to the contract with James W. Fowler, resulting in a new contract total of \$30,350,465.78, plus applicable taxes.

Project goals

- Strengthen and support a safe city with healthy residents.
- Assure outstanding stewardship of the natural and built environment.
- Reduced risk of stormwater flooding represents improvement to human health and the environment.
- Provide stormwater conveyance capacity for future growth in the downtown area.
- Deliver project improvements that represent the "best value" to Tacoma's surface water ratepayers

Schedule

Fall 2021: Construction begins
Summer 2022: Construction complete

Project Location and Alignment – see exhibit attachment

The attached exhibit depicts the project alignment. The interceptor route begins with a new outfall into the Thea Foss Waterway and heads uphill, generally in the southwest direction, through the City ultimately ending at S 19th & Court D.

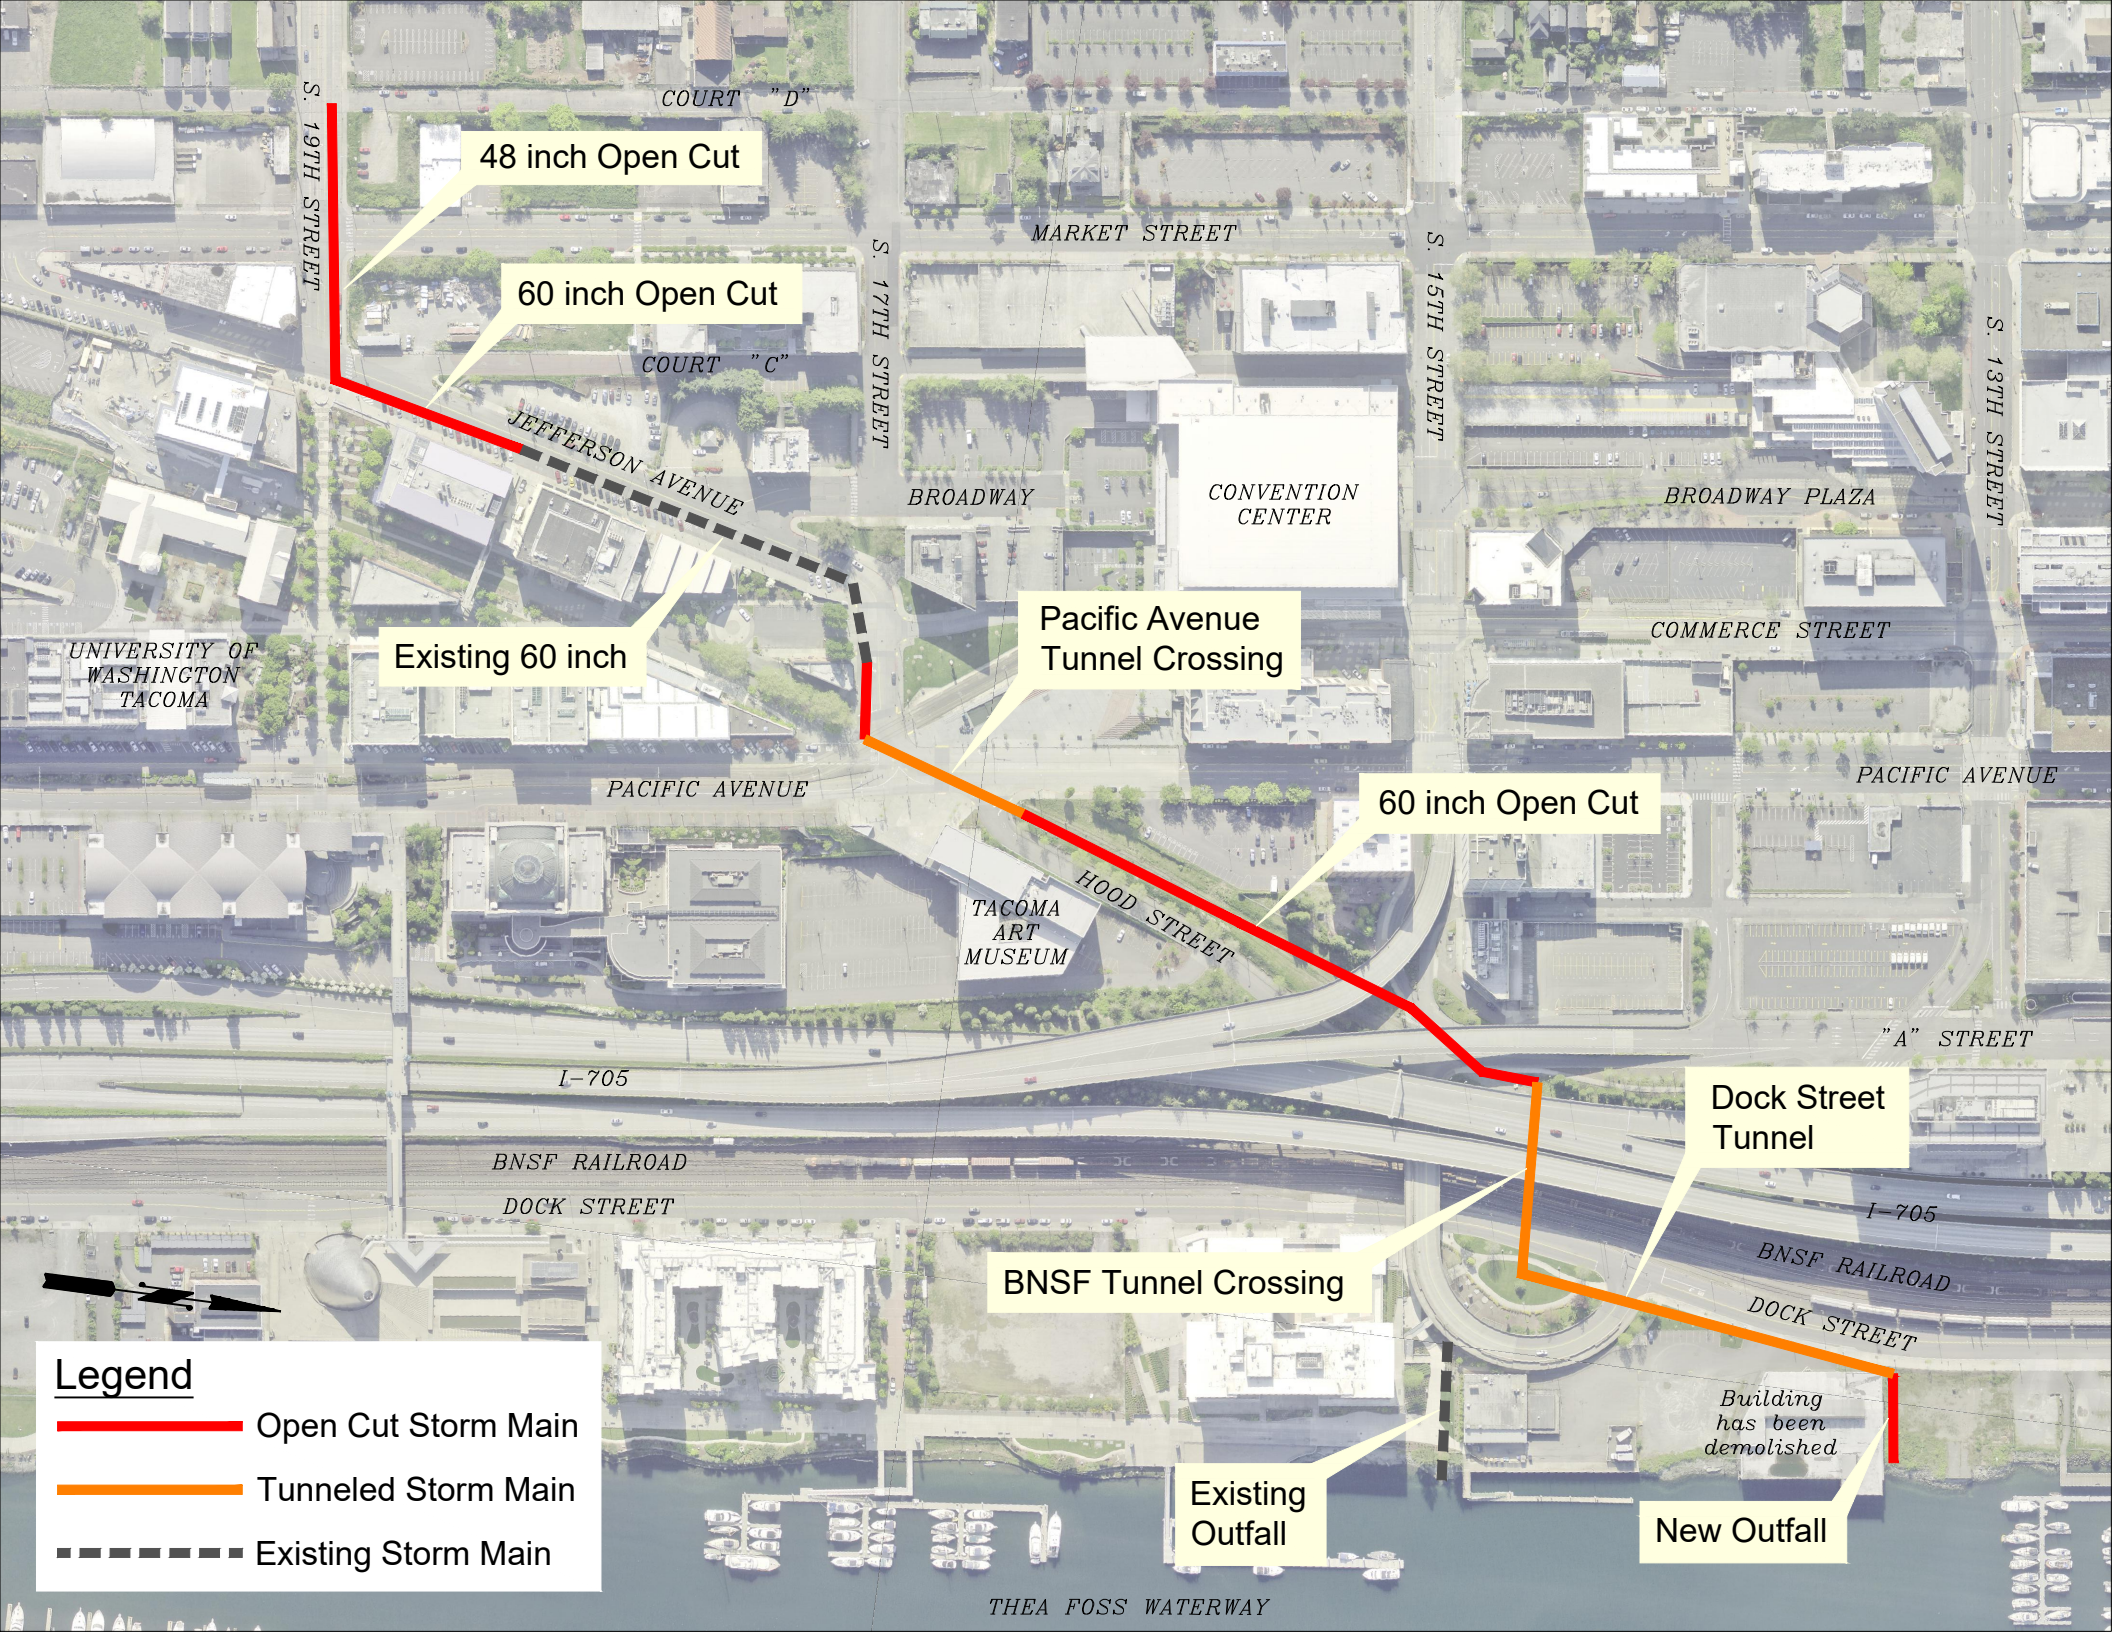

There are three critical segments of the alignment that cross the BNSF Railway, Pacific Ave-Tacoma Link Light Rail and Dock Street. In order to minimize impacts to railway transportation and local traffic, these segments will be utilizing underground tunneling versus a traditional open-cut construction technique.

In addition to the outfall and interceptor construction, there will be improvements to small sections of aging water mains and sanitary sewer mains.

Due to the large scale of this project and its alignment through the downtown area, the design-build team has devised a robust stakeholder outreach plan. We have an outreach consultant, PRR, working with the City's team so we can funnel inquiries and track responses with consistent messaging.

Next Step

The third and final planned contract amendment, authorizing Phase 2 of the construction, will be brought before the City Council for approval September 2021.
