COMMUNITY INPUT

- Asia Pacific Cultural Center
- · Latinx Unidos South Sound
- Mayor's Youth Commission/Sunrise Movement
- Puyallup Watershed Initiative's Just & Healthy Food Community
- Puyallup Tribe
- Oasis Youth Center
- Rainbow Center
- Tacoma Urban League
- Tacoma Ministerial Alliance

- Online survey
- 3 workshops
- PC Master Builders
- City Commissions
- Neighborhood Councils
- Citizens for a Healthy Bay
- Climate Ambassadors
- Environmental Justice Leaders Workgroup

T1. Increase partnerships and funding for active transportation and public transit programs and events that reduce barriers to using these modes and encourage their use.

40. Establish, fund, and implement right-of-way tree maintenance program focused in high heat, low & very low opportunity equity neighborhoods. Include policy, protocols, and standards

19. Support Pierce Transit in developing a zero-emission public transit plan.

19. Support Pierce Transit in developing a zero-emission public transit plan.

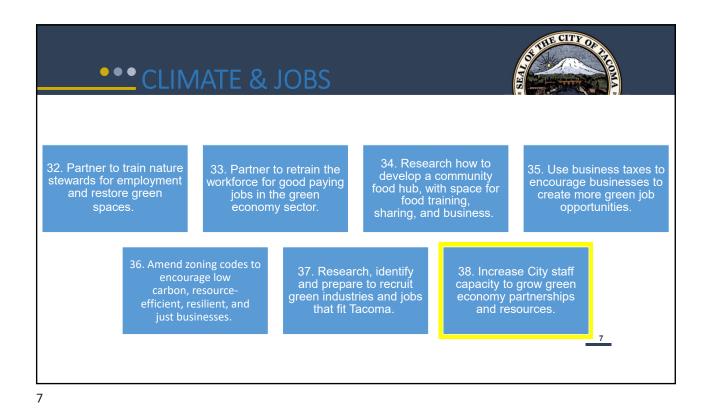

22. Partner to support zero emission innovation in marine, rail and truck transportation.

BP15 Preparedness, engaging frontline, jobs, housing, transportation, energy efficiency = equity, resilience, cost savings Babbitt, Patrick, 8/27/2021

BP16 active lifestyles, air quality, water quality, supporting our natural life support systems

Babbitt, Patrick, 8/27/2021

P. CLIMATE & HOUSING

9. Actively implement the City's 2018 Affordable Housing Action Strategy by maintaining housing and making it affordable and resilient for residents to promote livability and avoid displacement.

14. Partner with private and public partners to prioritize, support and create home and building low carbon, healthy retrofit solutions

16. Research and pilot home and commercial building energy scores to be shared with buyers.

CLIMATE & SAFETY

12. Update street design guidelines and processes to make walking, biking, rolling, and riding transit easy and safe.

13. Develop and implement a funding plan to complete the City's bike and pedestrian network by 2050

15. Improve commercial energy codes to reduce most fossil fuel use, and require enhanced efficiency and health standards

41. Establish cooling/warming/clean air shelters in every neighborhood.

42. Partner to distribute clean air kits, including filter fans.

44. Develop Sea Level Rise Master Plan with partners to assess, monitor, and prepare natural systems & infrastructure.

9

•••• JUMP START ACTIONS

Action Summary	Type of Action	City Cost Est	Funding Options
3. Fund 10 community food access projects	Community Support	\$100,000 annually	Federal Recovery, General Fund, ES
40. Establish, fund, and implement right-of-way tree maintenance program	Program	\$500,000 annually	General Fund, Stormwater, grants
4. Support community & youth-serving organizations & climate justice leaders	Community Support	\$25,000 annually	General Fund, Utilities, grants
17. Improve land use density bonuses and tax credits to require sustainability	Policy	N/A	
13. Develop and implement a plan to fund, prioritize, and complete the City's network of sidewalks, curb ramps, Safe Routes to School improvements, and bike connections by 2050.	Planning & Infrastructure	\$500,000 one-time for plan, \$60 mil annually to build	Plan: General Fund
14. Support and create single and multi-family low carbon, healthy retrofit solutions	Community Support & Programming	Min. \$2,000,000 one-time	Federal & State grants/allocations, General Fund
15. Improve commercial energy codes to reduce most fossil fuel use	Policy	\$50,00 one-time	General Fund
24. Develop and support programs for food waste prevention	Staffing & Programming	\$150,000 annually	Federal Recovery, Solid Waste, grants
38. Increase City capacity to grow green economy partnerships and resources	Staffing & Programming	\$150,000 annually	Federal Recovery, General Fund, ES, Federal & State grants/allocations
42. Partner to distribute clean air kits, including filter fans.	Community Support	\$30,000 annually	General Fund, grants

NEXT STEPS

- Public review of draft plan now thru October 25th
 - Coordinate with key frontline stakeholders, including Sunrise and EJ Leaders
- City Council Study Session –November 16th
- City Council Plan Resolution before end of year
- Prioritize federal and state funding for "climate &" actions

11
