LEG 004	ord6761.doc-KJC/j1d4mh (11/89) Section 5. Calculation of Assessments.
2	A. The gross square footage and use shall be initially determined
3	from the records of the Pierce County Assessor/Treasurer, subject to adjustment
4	thereafter upon a finding that the actual gross square footage on which the
5 6	assessment is to be calculated or the use thereof is different from that shown on

7 the Pierce County Assessor/Treasurer's record. It is presumed that the higher

written certification to the City that the space in question still remains untenantable

- 8 rate per square foot of gross square footage applies unless adequate evidence is
- 9 made available to the appropriate City official that the lower rate per square foot of
- 10 gross square footage is applicable. The burden of proof shall be on the ratepayer
- 11 questioning the higher rate assessment to prove that the lower rate is applicable.
  12
  - B. The initial assessment and subsequent annual assessments
- 14 showing the rate of the special assessment, the gross square footage on which it
- 15 is calculated, and the total assessment for each separate ownership shall be
- 16 mailed to the owner or reputed owner whose name appears as the owner on the
- 17 tax rolls of the Pierce County Assessor/Treasurer and at the address for such
- 18 owner as shown on the tax rolls of the Pierce County Assessor/Treasurer.
- 19
- 20 Subsequent annual assessments, with the applicable rate, gross square footage,
- 21 and total assessment for each separate ownership, may be sent by regular mail or
- 22 delivered by the City to the owner or reputed owner as contained in the records of
- 23 the City Treasurer and at the address for such owner or reputed owner as
- 24 contained in the records of the City Treasurer, and if no addresses is shown there,

I It will be presumed that ownership and the address of any owner or reputed owner

- 2 remains the same as at the time of mailing of the initial annual assessment, unless
- 3 the City Treasurer receives written notice of a change in the address of the owner
- 4 to which the assessment notice is to be mailed. Duplicate notices will be mailed
- 5 upon request of the owner to the owner's named representative at the address 6
- given in such written request by the owner.
  - C. In the event the approved annual budget is greater or less than

9

- the funds which will be available from the total of all assessments within the 10 District for such annual period, calculated at the assessment rates as set forth in
- 11 Section 4 above, then such rates shall be adjusted on a pro rata basis (i.e., for
- 12 every one cent change in the higher rate per square foot, there would be a 13
- 14 one-third of a cent change in the lower rate per square foot) in an amount which,
- 15 when multiplied by the total assessable square footage in the District, will produce
- 16 a total sum equal to the approved total budget amount for the annual period for
- 17 which the special assessment is being made. Any increase of the assessment
- 18 rate in order to produce a total assessment equal to the approved annual budget 19
- 20 will not exceed the maximum assessment rates as set forth in Section 4 above,
- 21 and as Section 4 may be amended, except to the extent that such excess amount
- 22 is equal to or less than the inflation in prices which has occurred since the date of
- 23 the first annual assessment, as measured by the Consumer Price Index more
- specifically defined in Section 14 below. Any unexpended and unobligated 24
- 25 budgeted amount remaining at the end of any annual assessment period, and any 26
