Req. #12911

RESOLUTION NO. 3 8 2 4

1 A RESOLUTION relating to the City's vision and definition of sustainability;
2 establishing the City's vision and definition of sustainability; and establishing
3 a framework for the City to track and report on its progress toward
4 achievement of its vision of sustainability.

4 WHEREAS the City endeavors to be recognized as a "livable and
5 progressive international city, regarded for the richness of its multicultural
6 population," and

7 WHEREAS the City realizes that the natural resources essential to the
8 economic, social, and cultural well-being of its citizens are finite, and
9

10 WHEREAS the City recognizes its responsibility to improve human
11 health while supporting a diverse community with equitable access to
12 opportunities, and

13 WHEREAS the City recognizes the value of cultural contributions, such
14 as the arts, innovation, heritage, recreation, and the overall value of a high
15 quality of life for its citizens, and

16 WHEREAS the City recognizes that protection, preservation, and
17 restoration of local and regional ecological quality is vital for our economic,
18 social, and cultural well-being, and

20 WHEREAS the City seeks to strengthen its position as a vibrant
21 economic center and as a destination for investment, thus supporting local
22 business, and

23 WHEREAS "sustainability" is used by international, national, and local
24 organizations to mean consideration of environmental, economic, social, and
25 cultural values in decision making, and

LEG 004 (11/89)

WHEREAS Tacoma's Climate Action Plan seeks "to guide the reduction

2 of greenhouse gases and provide a blueprint to grow our local economy, to

3 make Tacoma more livable and more attractive, to allow our citizens to be

4 healthier, and to advance sustainability for the long term," and

5 WHEREAS, on October 31, 2008, the City Council adopted

6 Resolution No. 37631, creating the Office of Sustainability and establishing the

7 Sustainable Tacoma Commission on Climate Change; Now, Therefore,

8

9 BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

10 Section 1. That the City's vision of sustainability is: (1) Tacoma will

11 achieve exceptional quality of life for every generation and will leave a legacy of

12 stewardship and (2) Tacoma will achieve lasting and equitable prosperity; build

13 a safe, healthy, attractive, and vibrant community; and minimize negative

14 impacts in order to conserve the natural resources that sustain it.

15

16 Section 2. That the City's definition of sustainability is: The City and its

17 citizens meet current needs without compromising the needs of future

18 generations, such that environmental, social, cultural, and economic

19 considerations are balanced and integrated in a day-to-day, decision-making

20 manner.

21 Section 3. That the City's vision and definition of sustainability will guide

22 and inform City policy; decision-making by City staff, boards, and commissions;

23

24 and the legislative decisions of the City Council.

25 Section 4. That the City will define goals toward achieving its vision and

26 implementing its definition of sustainability and measure and report yearly

progress by defining City government and community sustainability indicators,

1

2 such as the energy use consumption of the City government itself; and that the

3 City will adopt five- and ten-year targets for each defined sustainability indicator,

4 starting in the year 2011.

5 Section 5. That, in addition to its duties regarding implementation of the

6 Climate Action Plan, the Sustainable Tacoma Commission on Climate Change

7

8 will be responsible for overseeing, coordinating, communicating, and

9 encouraging public involvement regarding sustainability initiatives as are

10 consistent with the City's vision and definition of sustainability.

11 Section 6. That, in addition to implementing the Climate Action Plan, the

12 Office of Sustainability will be responsible for researching policies, establishing

13 sustainability goals for City government and the community, supporting

14 implementation, integrating values, recommending and promoting practices,

15

16 and partnering with government and businesses to advance the City's vision

17 and definition of sustainability within the City and the region.
