Authorizing execution of an Interlocal Agreement between the City of Tacoma and Pierce County to jointly create and operate The Tacoma-Pierce County Family Justice Center

6. BACKGROUND INFORMATION/GENERAL DISCUSSION: (Why is this request necessary? Are there legal

requirements? What are the viable alternatives? Who has been involved in the process?)

The Family Justice Center concept is based on a model in San Diego that provides victims of domestic violence with a one-stop opportunity to obtain a wide array of services and support from social service and governmental agencies in one central location. The center is comprised of two groups of partners, the

community/non-governmental partners and the criminal justice partners. An interlocal agreement between the County and City is necessary to formalize this partnership and, among other things, create a Board of Directors

to oversee the Center. The Board will consist of two elected officials from the County, two elected officials from the City and jointly selected fifth member. The City's Legal, Police, General Services and Human Rights and Human Services departments have been involved in the process. The objectives of the Center are:

- ? Reduce the number of domestic violence cases that go unreported in Tacoma, Pierce County, and any other participating jurisdiction.
- ? Ensure domestic violence perpetrators are prosecuted.
- ? Coordinate and consolidate existing community resources to better serve victims of domestic violence.
- ? Offer appropriate civil legal assistance to victims of domestic violence.
