Req. #1

FXSOLUTION NO. TBD 001

1 A RESOLUTION relating to the City of Tacoma Transportation District; authorizing a  
 2 vehicle fee of \$20.

3 WHEREAS RCW 36.73.020 provides that the City Council may establish a

4 quasi-municipal, independent taxing district, in the form of a Transportation Benefit

5 District ("TBD"), for the purposes of acquiring, constructing, improving, providing, and

6 funding transportation improvements within the TBD consistent with any state,

[1013]  
 regional, or local transportation plans, and necessitated by existing or reasonably

[1013]

9 foreseeable congestion levels, and

10 WHEREAS, by passage of Ordinance No. 28099 on November 20, 2012, the

11 City Council established the TBD as codified under Chapter 10.28 of the Tacoma

12 Municipal Code, taking effect as of November 26, 2012, and

13 WHEREAS the TBD, once established, may impose taxes, fees, charges, and

14  
 tolls, including vehicle registration fees as authorized by RCW 82.80.140, to fund local

1 5  
transportation projects, and  
16

1 7 WHEREAS the funds generated by the TBD may be used for any purpose  
  
1 8 allowed by law including making transportation improvements that are consistent  
19 with existing state, regional, and local transportation plans and necessitated by  
20 existing or reasonably foreseeable congestion levels pursuant to Chapter 36.73  
21 RCW, and

22 WHEREAS the transportation improvements funded by the TBD shall be  
23 made in an effort to: (1) reduce the risk of transportation facility failure and improve  
24

25 -1-

safety, (2) decrease travel time, (3) increase daily and peak period trip capacity,  
  
(4) improve modal connectivity, and (5) preserve and maintain optimal  
  
2 performance of transportation infrastructure over time to avoid expensive  
[10] 3 replacement costs in the future, and

[10] 3

5 WHEREAS the TBD is proposing a \$20 vehicle fee to fund said projects,

6 which fee will generate approximately \$4,098,489 for 2013-2014, and

7 WHEREAS collection of the \$20 vehicle fee will commence six months after

8 the adoption of this resolution; Now, Therefore

9 BE IT RESOLVED BY THE GOVERNING BOARD OF THE TACOMA

10 TRANSPORTATION BENEFIT DISTRICT:

1 1 Section 1. That the governing body of the Transportation Benefit District

12

1 3 does hereby approve and authorize a \$20.00 vehicle fee.

REQUESTED MEETING DATE: November 27, 2012

SUMMARY AGENDA TITLE:  
Imposing a vehicle fee of \$20.00 for the City of Tacoma's Transportation Benefit District as authorized in RCW 82.80.140 and identifying projects to be funded, as those described in the City of Tacoma Six Year

Comprehensive Transportation Program 2012-2017.

BACKGROUND INFORMATION/GENERAL DISCUSSION:

Adequate and dedicated funding to preserve and maintain City streets continues to be a significant challenge for the City of Tacoma. Chapter 36.73 RCW provides for the establishment of a TBD and for the levying of additional revenue sources for the purpose of acquiring, constructing, improving, providing, and funding transportation improvements within the district that are consistent with existing state, regional, and local transportation plans and necessitated by existing or reasonably foreseeable congestion levels.
