Authorize the Board of Administration of the Tacoma Employes' Retirement System to execute an agreement with Wilshire Associates, Inc., to provide pension consulting services for the period October 1, 2004, through September 30, 2007, for an estimated amount of \$420,000 (\$140,000/year).

6. BACKGROUND INFORMATION/GENERAL DISCUSSION: (Why is this request necessary? Are there legal requirements? What are the viable alternatives? Who has been involved in the process?)

The Request for Proposal (RFP) process for Pension Consulting Services was commenced in July, 2004. Ten different firms submitted proposals. The Retirement Board of Administration reviewed all proposals submitted for essential criteria such as public sector defined benefit clients, rates of return, fees and services. Supplemental information was requested from proposers to clarify certain information. Five candidate firms were interviewed. After a thorough, deliberative review, the Board of Administration selected Wilshire Consulting at its August 19, 2004 meeting based upon its demonstrated ability to meet the needs of public sector defined benefit clients, demonstrated consultant success as evidenced by client rates of return, competitive fees, quality client services and Wilshire's demonstrated ability to achieve significant cost savings for the plan over the past five years. The Board is recommending the Council authorize its entering into a three-year agreement with Wilshire, with two one-year renewal options, per the terms of the RFP. The fee for the three-year period of October 1, 2004 through September 30, 2007 is estimated at \$420,000.
