All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offenses.

## Sector 2 Weekly Briefing for 29 December 2025 to 04 January 2026

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offenses.
