

Historic Preservation Code Amendments

City of Tacoma | Planning & Development Services City Council – First Reading of Ordinance October 14, 2025

1

BACKGROUND

Direction received from:

- Findings and recommendations from Historic District Moratorium (2023-2025)
- Policies and priority actions in updated Comprehensive Plan (2025)
- Community workshops, Commission feedback
- Directors Rules
- · Legislative changes at State level

2

POLICY GUIDANCE

General

 Revise nomination processes, including addition of inclusive criteria for nomination processes, clarification of commission roles, and incorporating changes to State law.

District Nomination Process

 Align historic district process with other zoning amendments.

Design Review

 Consider ways to reduce burdens in residential districts (such as relaxed requirements).

Demolition Review

 Required changes per State law (compulsory nominations not permitted in most cases) and Director's Rules.

3

RECOMMENDATIONS

THE CHILD CONTROL OF THE CHILD

Summary of Recommendations

- Amend nomination process and criteria for local historic districts and individual City landmarks (process, criteria)
- Exemptions for certain projects within residential historic districts
- Creation of a new Community Heritage Register
- Expansion of the Special Tax Valuation Program
- New owner consent requirements in compliance with changes to State law
- Incorporate mitigation guidance into the demolition review process

4

PUBLIC FEEDBACK

Public Comment

- Three written comments received at the City Council public hearing
- Eight written comments received for the Planning Commission public hearing on August 6, 2025

Key Points

Historic District Nomination Process

- General support for sending district proposals to Council
- · Concern with five-year waiting period
- Questions whether Planning Commission should have a role in historic code and district review

5

5

PUBLIC FEEDBACK

STILL CITY OF THE

Design Review Exemptions

- Concern with design review exemptions and language; utility of exempting windows and cladding on "non-prominent facades"
- Concern with language weighting "impacts to surrounding district"

Other Prior Comments (Planning Commission Hearing)

- Generally support proposed amendments to the Special Tax Valuation program
- · Objections to changes in historic eligibility criteria
- Objections to the Land Use permit fees associated with Area Wide Rezones.

6

Upcoming Schedule

| Date | Action |
|------------------|--------------------------------------|
| October 21, 2025 | Second Reading of Ordinance |
| November 2, 2025 | Effective Date |
| November 5, 2025 | Historic District Moratorium Expires |
