**DATE:** September 30, 2025

**SUMMARY & PURPOSE:**

The Community and Economic Development Department is requesting authorizing the appropriate City officials to execute a 12 Year Multifamily Housing Property Tax Exemption Extension Agreement with Stadium Apartments, LLC for the extension of their original Property Tax Exemption Agreement at 102 N. G Street, for 12 additional years.

**BACKGROUND**

Ordinance No. 28798, enacted a program allowing applications for a 12-year extension for projects under a current eight or twelve-year limited property tax exemption if twenty percent of the units become affordable to households at 70 percent of Pierce County area median income. Stadium Apartments was approved for an 8-year property tax exemption on May 10, 2016, under Resolution # 39441, which runs from 2019-2026, and is interested in receiving a 12-year extension to the original 8-year exemption for the project. The project will add 20% affordability to their original project as described in Exhibit "A" to the Resolution. The housing is as described in the chart below.

Number of units	Type of Unit	Average Size	Current Rental Rate
<i>Market Rate</i>			
60	Studio	545-770 SQFT	\$1853
45	One Bedroom, One Bath	609-730 SQFT	\$2075
32	Two Bedroom, Two Bath	932-1327 SQFT	\$2940
<i>Regulated Rate</i>			
16	Studio	545-770 SQFT	\$1481 (including utility allowance)
11	One Bedroom, One Bath	609-730 SQFT	\$1586(including utility allowance)
8	Two Bedroom, Two Bath	932-1327 SQFT	\$1904(including utility allowance)

The affordable units will be rented to households whose income is at or below 70% of Pierce County AMI, adjusted for household size, as determined by HUD on an annual basis. Rent will be capped at 30% of those income levels, adjusted annually.

The project will be forwarded to the Pierce County Treasurer Assessor for the 12-year multi-family housing property tax exemption extension. Stadium Apartments, LLC will enter into an agreement prepared by the City to create and maintain the affordable rental units.

**COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):** March 2025 Outreach to multifamily properties indicate that Tacoma has a 7% vacancy rate in rental housing, which indicates there is still very much a housing

need in Tacoma. New projects coming on line are still quickly filled also showing that demand is not slowing. As we add additional units pressure on the market should be relieved and prices should reflect less upward pressure.

**2025 STRATEGIC PRIORITIES:**

**Equity and Accessibility:**

These housing units will create more affordable housing units in Tacoma and they ensure that affordability is being created throughout the City of Tacoma and not just in certain areas. Creating affordable units in the Downtown Mixed Use Center provides accessibility to jobs, transit and other amenities in that district.

**Economy/Workforce:** *Equity Index Score:* High Opportunity

Increase the percentage of people relocating to the city and affordability of housing compared to neighboring jurisdictions.

Choose an item.

**Livability:** *Equity Index Score:* Moderate Opportunity

Decrease the percentage of individuals who are spending more than 45% of income on housing and transportation costs.

This project will guarantee affordable living units in an area of the City with low opportunity.

**STAFF RECOMMENDATION:**
