#### Other Items of Interest

5. [24-0405](#) Letter Submission - Public Comment on Puget Sound Clean Air Agency's Proposed Order No. 12348 - Relating to Darling Ingredients, Inc.  
[Council Member Diaz]

Council Member Ushka presented a Council Consideration Request for a letter in support of the Puget Sound Clean Air Agency Proposed Order No. 12348 for Darling Ingredients Inc., noting the permit is to replace

rendering equipment that was previously destroyed in a fire and the Council has long heard from community about air quality concerns related to the rendering plant, making its future operation practices of great interest to our constituents. She concluded by stating the proposed Order requires the facility to establish a complaint response program, including a public complaint phone line; requires periodic inspections for compromises in the integrity of the cooking system and its associated ductwork or in the building envelope; unrepaired compromises may constitute violations; and requires periodic testing for emissions of volatile organic compounds, carbon monoxide, nitrogen oxides, particulate matter, sulfur oxides, and hydrogen sulfide.

Discussion ensued regarding appreciation and the opportunity to support and sign onto the letter.

Mayor Woodards arrived here, at 12:25 p.m.
