6 WHEREAS approximately 7 percent (22.8 million people) of the United
7 States population are non-citizens, with nearly 260,000 people seeking asylum
8 within the United States in 2017, and as of 2022, over 12 percent of the City's
9 population was born outside the United States and nearly 20 percent speak a
10 language other than English at home, and

11 WHEREAS today, immigrant communities are under threat of mass

14 who have had contact with the criminal legal system are at particular risk, and

15 WHEREAS the U.S. Supreme Court's recent order *Vasquez Perdomo v.*
16 *Noem*, stays the order of a California District Court which prohibited federal
17 immigration officers from relying on any combination of four factors, including
18 apparent race or ethnicity and speaking in Spanish or accented English, giving
19 immigration agents a "green light" to once again stop anyone they guess to be in
20 the U.S. illegally, even if a central reason for the stop was race, thereby
21 sanctioning discriminatory racial profiling that erodes constitutional rights,
22 destabilizes families, communities, and local economies, and targets entire
23 communities of color, and
24
25
26

1 WHEREAS these immigrant populations experience unique risks to health,
2 including pre-migratory trauma, unsafe and stressful migration experiences, and
3 post-migration discrimination, and human rights abuses can occur across this
4 spectrum of the immigrant experience, and

6 WHEREAS on February 25, 2025, the City Council adopted Resolution
7 No. 41627 that states it is the policy of the City that no City funds, facilities,
8 property, equipment, or personnel will be used to investigate, enforce, cooperate
9 with, or assist in the investigation or enforcement of any federal registration or
10 surveillance programs or any other laws, rules, or policies that
11 target individuals in the City solely on the basis of race, religion, immigration, or
12 citizenship status, or national or ethnic origin, provided that this policy shall not
13 prohibit the collection, use, or disclosure of information that is required to comply
14 with state or federal law, or in response to a lawfully issued court order, and
15
16

17 WHEREAS to clarify how the City Manager should implement Resolution
18 No. 41627 as applied to City-owned property, this resolution directs the City
19 Manager to:

20 (1) Review and assess the potential for legislation to prohibit United
21 States Immigration and Customs Enforcement from using City-owned property for
22 the purposes of staging or other activities related to civil immigration enforcement,
23 including a legal analysis of the possible enforcement options and necessary
24 signage, as well as any other legal considerations; and

1 (2) Create a plan for identifying the City-owned property that could be
2 used for enforcement operations staging purposes for signage purposes if signs
3 are determined to be necessary, as well as other implementation considerations,
4 and
5

6 WHEREAS every person has fundamental human rights and targeting
7 people solely on the basis of race, religion, immigration, or citizenship status, or
8 national or ethnic origin is a discriminatory action that harms our community, and
9 efforts to strip civil rights from a portion of our community are designed to create
10 fear and push communities into hiding and outside the social structure that holds
11 our community together, and

13 WHEREAS by making clear that the City will not participate in these actions,
14 we build trust with community and create a more welcoming environment, and this
