THE

CITY OF TACOMA

AND

Teamsters Local Union 117

Affiliated with the International Brotherhood of

Teamsters TACOMA VENUES & EVENTS

THIS AGREEMENT is between the CITY OF TACOMA (hereinafter called the City) and Teamsters Local Union 117 Affiliated with the International Brotherhood of Teamsters (hereinafter called the Union), for the purpose of setting forth the mutual understanding of the parties as to wages, hours and other conditions of employment of those employees for whom the city has recognized the Union as the exclusive bargaining representative.

PREAMBLE

The parties to this Agreement believe that the citizens of Tacoma deserve the highest quality service and we recognize the value of listening to those we serve. We also recognize the value of providing a work environment that supports a spirit of teamwork, encourages personal growth, participative decision making and equal opportunity. We believe in a relationship of mutual respect, open communications, shared success and innovative problem solving which will promote service, work life harmony, mutual respect and responsible issue resolution. To further these beliefs, a Cooperative Labor/Management Committee will continue to develop and foster the relationship outlined in this Preamble.

As a result of negotiations between the City of Tacoma and Teamsters Local Union 117 Affiliated with the International Brotherhood of Teamsters, the parties agree as follows:

ARTICLE 1 – SUBORDINATION OF AGREEMENT

It is understood that the parties hereto and the employees of the City are governed by the provisions of applicable State law, the Tacoma City Charter and the Tacoma Municipal Code (TMC). When any provisions thereof are in conflict with or are different than the provisions of this Agreement, the provisions of said State law, or City Charter are paramount and shall prevail. When any provisions of this Agreement are in direct conflict with the Tacoma Municipal Code, this Agreement shall prevail. When there is ambiguity in the interpretation or definition of terms in this Agreement, Tacoma Municipal Code shall prevail.

ARTICLE 2 – TERM OF AGREEMENT

This Agreement shall remain in full force and effect from January 1, 2026, to and including December 31, 2028, provided, however, that this Agreement shall be subject to such change or modification as any be mutually agreed upon by the parties hereto. It is the intent of the parties to this Agreement that negotiations for change or modification may begin in the final year of the agreement by mutual agreement and in no event later than sixty (60) days prior to the expiration of this Agreement.

ARTICLE 3 – RECOGNITION AND BARGAINING UNIT

The City hereby recognizes the Union as the sole and exclusive collective bargaining representative for the purpose stated in Chapter 41.56 RCW as last amended of all employees of the Tacoma Venues & Events Department (TVE) employed with the bargaining unit defined by the classifications listed in Appendix A, which shall form a part of this Agreement.

ARTICLE 4 – JOINT LABOR COMMITTEE

Section 4.1 It is the intent of the Union to carry out its responsibilities as a member of the Joint Labor Committee as provided in the Tacoma Joint Labor Agreement; the Tacoma Joint Labor Agreement shall be interpreted to give to said Joint Labor Committee any responsibility or authority extended to the Union as the exclusive bargaining representative by Chapter 41.56 RCW as last amended except as provided in said Tacoma Joint Labor Agreement. In the event there is a conflict between the Tacoma Joint Labor Agreement and this Agreement, the provisions of this Agreement shall prevail. If this Agreement is silent on a specific issue that is covered by the Tacoma Joint Labor Agreement, the Tacoma Joint Labor Agreement shall prevail.

Section 4.2 The parties agree that for the sake of equity among employees as well as administrative efficiency, it is desirable to standardize conditions of employment pertaining to employees represented by unions affiliated with the Joint Labor Committee. Therefore, the parties hereto agree to encourage standardization of benefits and other conditions of employment wherever appropriate, and to utilize the good offices of the Joint Labor Committee to affect this end.

ARTICLE 5 – UNION MEMBERSHIP AND DUES

Section 5.1 The City agrees to deduct from the paycheck of each employee, who has so authorized it, the initiation fees, monthly dues, and assessments uniformly required of members of the Union. An employee may, on written request, also have deducted from their pay such other items as may be mutually agreed between the Union and the City. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. New Employees' initiation fee may be incrementally deducted as specified in the authorization. Union payroll deduction authorization cards submitted to the City and received by the payroll office will have deductions beginning no later than the second payroll cycle following receipt of the authorization card. The City will honor the terms and conditions of each employee's duly executed payroll deduction authorization card irrespective of the employee's membership status. The Union agrees to refund to the City any amounts paid to it in error on account of the provisions of this Section upon presentation of proper evidence thereof. There shall be no retroactive deduction of union dues.

Upon receipt of a new, original payroll deduction authorization, the City will make a copy available to the Union electronically within two weeks.

Section 5.2 Employees may cancel their payroll deduction by written notice to the City and the Union in accordance with the terms and conditions of their duly executed payroll deduction authorization card. The cancellation will become effective no later than the second payroll cycle after receipt of the confirmation from the Union that the terms of the employee's duly executed payroll deduction authorization card regarding cancellation have been met.

Section 5.3 The Union agrees to indemnify and save the City harmless from any and all claims, demands, suits or other forms of liability that arise against the City for or on account of compliance with this Article and any and all issues related to the deduction of dues and fees. In all such cases, the City's reasonable attorney's fees will be paid by the Union. If requested by the Union in writing, the City will surrender any such claim, demand or suit or other form of liability ("Claim") to the Union for defense and resolution. The Union shall not concede, settle, compromise, or resolve any Claim without the prior written approval of the City.

Section 5.4 Upon request, the City will furnish to the Union a roster and pay status of current bargaining unit employees. It is understood that this tabulation will be used by the Union for the sole purpose of compiling the Union dues formula and that the Union will not divulge any information from the subject tabulation to any other person or agency.

Section 5.5 The City will inform new bargaining unit employees of the Union's exclusive representation status. Consistent with R.C.W. 41.56.037, the City will provide union access to new employees entering the bargaining unit within ninety (90) days of hire. The City will allow the Union thirty (30) minutes to meet with such individuals during work hours and at their usual worksite or a mutually agreed upon location.

Section 5.6 – New Hire Orientation: The City will inform new bargaining unit employees of the Union's exclusive representation status. The City will provide union access to new employees entering the bargaining unit within ninety (90) days of hire. The City will allow the Union thirty (30) minutes to meet with such individuals during work hours and at their usual worksite or a mutually agreed upon location. During such meetings, an employee designated by the Union will be permitted, for up to thirty (30) minutes and without loss of regular straight-time pay, to meet with new represented employee(s). The Employer shall incur no costs for travel time or mileage, nor shall the Union use City vehicles or resources in the conduct of this union business.

ARTICLE 6 – GRIEVANCE PROCEDURE

Section 6.1 A grievance under this Agreement is defined as a written dispute, claim, or complaint arising under and during the term of this Agreement and filed by either an authorized union representative acting on behalf of the employee, or an employee in a recognized classification, or a grievance filed by the City. Grievances are limited to matters of interpretation or application of express provisions of this Agreement.

All grievances must be filed as soon as possible, but not later than thirty (30) calendar days after occurrence of the circumstances giving rise to the grievance. Otherwise, the right to file a grievance is forfeited and no grievance shall be deemed to exist.

Section 6.2 Any employee having a complaint shall first take up the matter with their immediate supervisor, or the next level of supervision or management within the Department. A complaint alleging discrimination by the employee's immediate supervisor, or the next level of supervision or management within the Department may be initiated at Step 2 of the procedure outlined below. All grievances of disciplinary reductions in pay, suspensions without pay, demotions, or dismissals may be initiated at Step 2 of the procedure outlined below, unless otherwise agreed to by the parties.

If no satisfactory answer or disposition is received within five (5) calendar days, the complaint shall be processed as follows:

- Step 1 The employee and/or their Union representative shall, as soon as possible, but not later than thirty (30) calendar days after occurrence of the circumstances giving rise to the grievance, reduce the matter to written form, stating all facts in detail, section or sections of contract alleged to have been violated and proposed remedy and submit same to immediate supervisor. The supervisor shall within fourteen (14) calendar days, communicate their disposition in detail by letter to the Union Representative.
- Step 2 Failing to resolve the grievance in the first step, the Union representative shall, within fourteen (14) calendar days of receipt of the supervisor's disposition take up the matter with the head of the employee's division, or their designated representative. The Division Head shall within fourteen (14) calendar days of receipt of the grievance, communicate their disposition in detail by letter to the Union representative, with a copy to the City's Labor Relations Division. If the matter is not satisfactorily settled or adjusted in this stage, the Union representative shall then process the grievance as provided in Step 3.
- Step 3 Failing to resolve the grievance in the second step, the Union representative shall, within fourteen (14) calendar days of receipt of the Division Head's disposition take up the matter with the Department Head, or their designated representative. Management shall within fourteen (14) calendar days of receipt of the grievance, communicate their disposition in detail by letter to the Union representative, with a copy to the City's Labor Relations Division. If the matter is not satisfactorily settled or adjusted in this stage, the Union representative shall then process the grievance as provided in Step 4.
- Step 4 Failing to resolve the issue in the third step, the Union shall within fourteen (14) calendar days of the Department Head's disposition, contact the City Human Resources Director to arrange a meeting between the Union and the City to discuss said grievance, copying the Department Head and the City's Labor Relations Division. Any grievance filed by the City shall be first considered at this step. This meeting shall be scheduled at a mutually agreeable time, which time shall not exceed, however, fourteen (14) calendar days from the time the Union contacts the City, unless a longer time is mutually agreed upon. If the parties in this step are unable to resolve the grievance, the matter may be submitted to binding arbitration as hereinafter provided for in this Agreement.

The Union representative may submit grievances of disciplinary reductions in pay, suspensions without pay, demotions, or dismissals to the Director of Human Resources, with copies to the Department Head and the City's Labor Relations Division. The Director of Human Resources shall, within twenty-one (21) calendar days of receipt of the grievance, schedule a meeting with the grievant and the Union representative. The Director of Human Resources will issue a written decision to the Union representative and the grievant within fourteen (14) calendar days of the meeting, with copies to the

Department Head and the City's Labor Relations Division. For all reductions in pay, suspensions, demotions, or dismissals, the Union may appeal the decision of the Director of Human Resources to binding arbitration. If arbitration is selected by the Union, the employee may not also appeal via the Civil Service Board process.

Section 6.3 Any and all grievances resolved at any step of the grievance procedure as contained in this Agreement shall be final and binding on the City, the Union and employees represented by the Union and covered by this contract.

Section 6.4 Grievances shall be processed from one step to the next within the time limit prescribed in each of the steps. Any grievance upon which a disposition is not made by the City within the time limits prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure, the time limit to run from the date when time for disposition expired.

Section 6.5 – Arbitration: Either party may request arbitration of an unsettled grievance by notifying the other party in writing of such desire within thirty (30) calendar days of the day the written disposition was given under Step 4 of the grievance procedure provided for in this Agreement. In the event that either party should fail to serve such written notice, the matter shall be considered as settled on the basis of the written disposition made in the last step of the grievance procedures.

A list of five (5) arbitrators shall be requested from the Public Employment Relations Commission (PERC). In the event PERC is unresponsive to the parties' request for a panel, the parties agree to utilize the American Arbitration Association (AAA), or another mutually agreed upon comparable agency, that maintains a roster of labor arbitrators. Both parties shall meet and each shall strike a name until one (1) arbitrator is selected. Any decision by the arbitrator shall be final and binding upon both parties. Each party is responsible for the costs of its representatives, attorneys and all costs related to the development and presentation of their respective cases in arbitration. In the event that the City unsuccessfully challenges an arbitrator's decision in court, or the Union is forced to file an action in court to compel compliance with an arbitrator's award, the Union may seek recovery of attorneys' fees incurred in the court action to the extent such recovery is permitted under RCW 49.48.30. The arbitrator shall have no power to render a decision that will add to, subtract from, or alter, change or modify this Agreement; and the arbitrator's power shall be limited to an interpretation or application of this Agreement.

Section 6.6 It is understood that disciplinary action by the City shall not be considered cause for a grievance, except for appeals of final discipline pursuant to Section 6.2, Step 4 above, unless it is specifically alleged that such action represents an incorrect application of the terms of this Agreement, including any just cause provisions. In no event shall this Agreement alter or interfere with disciplinary procedures heretofore followed by the City or provided for by City charter, ordinance or law, including the procedure for appeals thereof. This clause shall not, however, prevent the Union from affording to its members such representation in any other proceeding as it may see fit.

Section 6.7 It is understood that there shall be no suspension of work, slowdown, or curtailment of services while any difference is in process of adjustment or arbitration pursuant to the terms of this Agreement.

ARTICLE 7 – WORK STOPPAGES

Section 7.1 The City and the Union agree that the public interest requires the efficient and uninterrupted performance of all City services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective: during the life of this Agreement, the Union shall not cause or condone any work stoppage, strike, slowdown or other interference with City functions by employees under this Agreement, and should same occur, the Union agrees to take steps to end such interference. Employees covered by this Agreement who engage in any of the foregoing actions shall be subject to such disciplinary action as may be appropriately determined by the City.

Section 7.2 It shall not be considered a violation of Section 7.1 if employees covered by this agreement refuse to cross an official picket line recognized by the Joint Council of Teamsters 28 where physical health and safety may be jeopardized by doing so.

ARTICLE 8 – MANAGEMENT RIGHTS

The Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its lawful mandate, and the powers of authority which the City has not specifically abridged, delegated or modified by this Agreement are retained by the City.

The direction of its working force is vested exclusively in the City. This shall include, but not be limited to, the right to: (a) direct employees; (b) hire, promote, transfer, assign, and retain employees; (c) suspend, demote, discharge, or take other legitimate disciplinary action against employees for cause; (d) assign reasonable overtime and relieve employees from duty because of lack of work or other legitimate reasons pursuant to the Personnel Rules; (e) maintain the efficiency of the operation entrusted to the City; (f) determine the methods, means, and personnel by which such operations are to be conducted; and (g) take any actions necessary in conditions of emergency, regardless of prior commitments, to carry out the mission of the agency; provided, however, that items (a) through (g) shall not be in conflict with City ordinances and Personnel Rules.

ARTICLE 9 – VISITATION BY UNION REPRESENTATIVES

Authorized representatives of the Union may, after notifying the City official in charge, visit the work location of employees covered by this Agreement at any reasonable time for the purpose of investigating conditions on the job. The City official in charge shall be allowed adequate time to make appropriate notifications to security to grant reasonable access. Such representatives shall confine their activities during such investigations to matters relating to this Agreement. City work hours shall not be used by employees or Union representatives for the conduct of Union business or the promotion of Union affairs. The Union shall furnish the Labor Relations Division Manager with an up-to-date list of authorized Union representatives or stewards and shall keep such list current. The Labor Relations Division will notify the Union of any changes in its personnel.

ARTICLE 10 – SAFETY STANDARDS

Section 10.1 All work shall be done in a competent and professional manner. The City and Union mutually agree that those applicable safety standards as outlined in federal, state, city and Department regulations legally binding upon the City shall be strictly complied with and enforced. Safety standards developed which are peculiar to employees represented by the Union shall be incorporated herein by reference.

Section 10.2 Union stewards and/or the Union representative may attend all safety committees and act as an ex officio member.

Section 10.3 Bargaining unit employees scheduled to work successive shifts will be required to take a minimum ten (10) hour rest period between the scheduled shifts.

ARTICLE 11 – STANDARD WORKING CONDITIONS

The parties are participants in a Joint Labor Agreement, through which they have determined the amount of and basic rules regarding vacation leave, holidays, sick leave, personal time off and other benefits. Provisions of the Joint Labor Agreement governing these benefits are attached in Appendix B which shall independently expire with the expiration of the Joint Labor Agreement. Appendix B shall be automatically updated and replaced in its entirety with any changes to the provisions of the Joint Labor Agreement during the term of this Agreement as long as both parties remain signatories to the Joint Labor Agreement. Should a party choose not to sign on to a future Joint Labor Agreement the provisions in Appendix B shall be “status quo” until expiration of this Agreement.

Items covered by Appendix B may be grieved through this Collective Bargaining Agreement, except those items challenging the interpretation or application of the Joint Labor Agreement provisions which may be grieved only through the grievance procedure included in the Joint Labor Agreement.

Section 11.1 – Requests for Vacation Leave: Requests for time off shall be submitted in writing on the City’s vacation request form. Seniority will apply before approval, if multiple employees request the same time off. Once a request is approved by a supervisor or manager bumping will not be allowed. All requests will be responded to in writing on the Vacation Request form within thirty (30) calendar days of receipt.

Section 11.2 – Holiday Pay: In addition to eight (8) hours of holiday pay, employees required to work on a holiday shall continue to receive overtime pay at time and one half (1.5x) for all hours worked on the City holiday.

Employees not scheduled to work on a holiday shall receive eight (8) hours of straight time pay for the City holiday, which shall be considered actual hours worked for purposes of computing overtime beyond forty (40) hours per work week.

ARTICLE 12 – NON-DISCRIMINATION

Section 12.1 Pursuant to RCW 41.56 there shall be no discrimination against Union officers, Union members, or Union activity.

Section 12.2 It is mutually agreed that there shall be no discrimination based on applicable local, state and federal laws. Union and management representatives shall work cooperatively to assure the achievement of equal employment opportunity. Any employee who fails to cooperate toward this end shall be subject to disciplinary action. Employees who feel they have been discriminated against or unlawfully harassed shall be encouraged to contact the City of Tacoma Equal Employment Opportunity (EEO) Officer. Nothing in this section shall prohibit employees from seeking relief through other channels.

ARTICLE 13 – WORKING CONDITIONS

Section 13.1 The City shall pay up to three (3) employees in the Local 117 TVE Unit serving on the Union negotiating committee their regular rate of pay for hours missed from their regular shift, three hundred (300) total hours spent in formal negotiations between the City and the Union. The Union may add additional members to the negotiating committee who will be required by the City to use their own time to attend when staffing permits. Upon mutual agreement of the parties, the total number of hours referenced in this section may be extended.

Section 13.2 – Posting of Agreement and Notices: A copy of this Agreement shall be posted in a conspicuous place at major work sites.

A bulletin board will be provided by the City at the Tacoma Dome and the Greater Tacoma Convention and Trade Center for the use of the Union. It shall be maintained, and controlled by the Union. It is understood and agreed that no material shall be posted which is obscene, defamatory, or which would impair TVE operations.

Section 13.3 – Official Notification: The employer agrees to provide the Union Representative copies of all bulletins and special and general orders pertaining to employees represented by the Union. The Union agrees that it will designate the Union official authorized to sign official Union communications.

The employer agrees to notify the Union Representative in writing of intent to terminate, suspend or demote in rank or pay any member of the bargaining unit.

Section 13.4 – Clothing: The parties agree to the following provisions with regard to appropriate uniforms:

- The Department will provide shirts with laundry and mending services.
- The Department will provide ball cap style hat, if requested, but employees will have the option not to wear them. Employees may wear plain black or grey hat.
- Employees will provide their own pants that must be black, jeans or nicer (jeans, chinos, suit pants). No shorts, sweatpants, athletic pants, etc.
- Employees will provide their own footwear, which must be predominantly black, with closed

- toe/heel. (Shoes with company emblem like a Nike swoosh in white are acceptable.)
- The Department will provide a two hundred dollars (\$200.00) annual stipend for the employee's purchase of the pants and shoes described above. This amount will be paid in the pay period number 01 of each calendar year to employees in the bargaining unit as of January 1 of the applicable calendar year.
 - Employees hired during the year of this agreement will get a quarterly proration of the annual stipend (e.g. an employee hired in May will receive one hundred fifty dollars (\$150.00)).
 - The Department will replace damaged and unserviceable clothing or shoes purchased with the stipend, with prior approval of the Operations Manager or their designee. Employees must provide receipt of original purchase. The City will replace damaged or unserviceable clothing up to a total of two hundred dollars (\$200) per employee per calendar year.

Section 13.5 When an employee is required to use their private vehicle for job related transportation they shall be reimbursed pursuant to Section 1.12.100 of the Tacoma Municipal Code which provides for reimbursement at the Internal Revenue Service approved amount per mile for such approved usage. City vehicles and public transportation are ordinarily available for employee use to and from other job sites. If an employee uses their private vehicle for job related transportation and is involved in a motor vehicle accident, pursuant to City policy (3.07) and TMC 1.12.920, an employee's personal automobile insurance carrier will be responsible first.

Section 13.6 Department Vacancies shall follow the Civil Service process.

Section 13.7 – Employee Privileges: The City assures the Union that its intention in executing this Agreement is not to arbitrarily cancel privileges heretofore granted to employees solely because such privileges are not specifically identified in this Agreement.

Section 13.8 – Employee-Management Committee: The City and the Union agree that it is in the best interests of both parties to maintain an Employee-Management Committee for the purpose promoting communication and resolving problems of mutual concern. The Employee-Management Committee shall be established consisting of three members of Labor, (the Union Representative or a designee, and two bargaining unit employees appointed by the Union;) and the City Labor Negotiator along with two management personnel.

The Committee shall be advisory in nature and will meet as needed to discuss and investigate issues of common concern but shall not be used to discuss negotiable issues unless both parties so agree.

The Committee shall establish its own rules of procedure and time and place of meetings. Chairmanship of the Committee rotates between Labor and Management.

Section 13.9 – TVE Layoffs:

- A. Lay-offs per TMC 1.24.900 -- will be by inverse order of seniority as provided for in the Personnel Rules. 1.24.900-B -- Ties in seniority will be broken by using the highest of the last four digits of employees' social security numbers. Employees on lay off status have the first right of refusal for any temporary work before employees of a temporary staffing agency can be used.

- B. Employees who accept voluntary demotion in lieu of lay-off will be maintained on the recall list to their previously held, non-probationary position for two (2) years.

- C. Employees who are subject to layoffs will be provided notice consistent with Tacoma Layoff Policy 3.01.

Section 13.10 – CPR/AED Certifications:

The City agrees to provide CPR/AED training for all staff working under this agreement. Further, the City agrees to pay for all costs associated, including time spent, to maintain the employees CPR/AED certifications, when management deems it necessary to re-certify.

The City agrees to reimburse any employee required, by management to attain and maintain a boilers license for the cost of the license within thirty (30) business days of receipt. Employees requesting reimbursement shall sign a Payroll Deduction Authorization form at the time of submittal authorizing the City, should the employee leave employment within nine (9) months of reimbursement, the City shall have the right to withhold the full cost of the license from the employee's last check.

ARTICLE 14 – HOURS OF WORK

The work week shall be defined as Monday at 00:00 hrs. through Sunday at 23:59 hrs. Work in excess of forty (40) hours in a work week and for hours worked beyond twelve (12) consecutive hours in a work shift shall be compensated at time and one half (1-1/2). Work beyond twelve (12) consecutive hours in one day shall count as daily overtime, but not pyramid to count towards overtime beyond forty (40) hours per week. Compensatory time off may be allowed with management approval.

Section 14.1 The Union and the City acknowledge that the nature of the work is such that many events and event working hours cannot be anticipated in advance. Recognizing this fact, the City will post tentative working hours two (2) weeks in advance. Such hours are not to be interpreted as a guarantee of working hours, or days off, for any TVE employee. In the event the City does not post the work hours two (2) weeks in advance, the first shift worked in the un-posted week shall be paid at time and one-half.

Section 14.2 In the event the posted schedule is changed with less than forty-eight (48) hours of notice, the first shift worked will be paid at the overtime rate, provided that the City may change reporting hours of two hours or less, or to comply with Section 14.3, without penalty as provided herein. The City agrees not to cancel shifts arbitrarily to avoid overtime, except when there is not sufficient work for scheduled employees.

Section 14.3 Work on the sixth (6th) day of work during a week shall be paid at the time and one half (1-1/2) rate. Work on the seventh (7th) day of work during a week shall be paid at double (2x) time. However, the City shall not be penalized for work on formerly scheduled days off when shifts are changed as provided for herein. The sixth (6th) and seventh (7th) days of work as referenced in this rule shall not include days scheduled as part of the regularly scheduled work week. (i.e. – during a split work week the scheduled days off would be considered the sixth (6th) and seventh (7th) days of the work week).

Section 14.4 Employees shall not work beyond sixteen (16) hours in any twenty-four (24) hour period.

Section 14.5 Employees while on their two (2) consecutive days off, shall have a reasonable expectation to have between fifty-two (52) and fifty-six (56) hours between scheduled shifts. Nothing herein prohibits time off in excess of fifty-six (56) hours off during the two consecutive days off. If for an exigent scheduling reason it is less than fifty-two (52) hours, the employee shall receive overtime compensation on the first subsequent shift. The City shall schedule each employee with a minimum of two (2) consecutive days off, twice (2x) in a pay period, plus or minus one (1) day.

Exception: the Electrician and HVAC Mechanics during peak seasons (September 1 through June 30) who shall at those times continue to have thirty-two (32) hours between shifts on non-consecutive days off, and fifty-six (56) hours between shifts for consecutive days off.

Consistent with the intent of this Section 14.5, above, a day off scheduled immediately prior to, and a day off scheduled immediately after, a City of Tacoma observed holiday, when the holiday is not a scheduled workday for an affected employee, shall satisfy the requirement for two (2) consecutive days off for that employee per Section 14.5 of the CBA.

Section 14.6 Bargaining unit members will be given the first right of refusal for all available overtime shifts for their classification, that call for less than ten (10) temporary employees, with seniority as the tie breaker in the event that two (2) or more employees wish to work the available shift. Bargaining unit members who volunteer to work available shifts will receive the appropriate amount of compensation based on their hours worked for the day, for the week, or that the work is on their sixth (6th) working day or seventh (7th) working day. Volunteers will not receive L12 or L48 overtime when they choose to work available shifts that are either less than twelve (12) hours from the end of their prior shift or less than twelve (12) hours in advance of their next shift, or with less than forty-eight (48) hours of notice. Temporary employees may be used for all shifts that bargaining unit members refuse, and the Union will not consider the use of temporary employees, under these circumstances, to be skimming of bargaining unit work. HVAC Mechanics and Electricians are not eligible for temporary shifts unless the shift is for HVAC Mechanic or Electrician work.

Section 14.7 Use of temporary employees in excess of two thousand eighty (2080) shift hours per year, per classification, will require City to add one additional full time employee in the particular classification exceeding that amount. Any use of temporary employees will count toward the two thousand eighty (2080) hours in a particular classification, except the calculation of two thousand eighty (2080) shift hours per classification will only include one position of the mass calls of temporary employees. A mass call is defined as any shift/assignment calling for the use of eight (8) or more temporary employees. A bargaining unit member accepting a temporary shift under Section 14.6 will be counted toward the mass call number. The year for this Section is defined as September 1st through August 31st. Full time employees added by the City by the language of this Section are expected to have a start date no later than the next January 1st following the determination of a requirement to add those full time employees.

The City will notify the Union annually, or upon request, of the number of shift hours assigned to temporary employees, by classification.

Section 14.8 – Use of Non-117 Staff: Consistent with established past practice, the Parties agree that TVE will continue to utilize non-bargaining unit staff to assist 117 represented staff on occasions of short duration with urgent need. The purpose of this Section 14.8 is to supplement the work and not supplant bargaining unit work. An example of such an occasion is removing chairs from the arena floor between events.

Section 14.9 – Shift Differentials: In lieu of shift differential pay the 2026–2028 Collective Bargaining Agreement increased the base rate of pay for all employees.

Section 14.10 TVE employees covered by this Agreement who have worked an eight (8) or more hour shift shall receive a twelve (12) hour break prior to working a subsequent shift. Employees not receiving a break of twelve (12) hours between shifts shall be paid time and one half (1-1/2) for the subsequent shift.

Section 14.11 The City expects employees to take their breaks and lunch periods during each shift. Employees during regular shifts shall normally have two (2) fifteen (15) minute paid rest breaks. The first such break shall be taken at approximately two (2) hours into the shift and the second approximately six (6) hours into the shift, such rest breaks are to be in addition to the normally scheduled one-half (1/2) hour unpaid lunch break. The City shall make a reasonable effort to assign employees their lunch period during the middle third (3rd) of their shift, and not to interrupt the employee's lunch period. Lunch breaks during regularly scheduled shifts will be unpaid. Lunch breaks scheduled during events during which bargaining unit employees are required to remain onsite will be paid. 3.4.1 Union Dues. As evidence of its recognition of employee membership in unions and organizations affiliated with the Joint Labor Committee and other bona fide unions and employees organizations and professional societies, the City of Tacoma agrees that upon written authority given to it by any member of the Union or other representative organization, it will deduct from the wages payable by the employer to such member, in the manner provided by law, such amounts as such member shall authorize, as dues to the organization, and transmit such dues to the organization. The City shall be given one full pay period advance notice of all dues changes. There shall be no retroactive deduction of dues.

The first deduction will take effect at the end of the month following the City's receipt of sufficient authorization forms. The deduction will occur once per month on the second pay period of the month.

ARTICLE 6 - ENUMERATION OF BENEFITS

6.1 Domestic Partners. The City will make available to domestic partners benefits, including insurance, paid leave and statutory Family and Medical Leave, on the same basis that those benefits are provided to employee spouses. Domestic partners will be recognized if the domestic partnership is registered with or recognized by the State of Washington pursuant to RCW 26.60; provided, that the City will continue to recognize domestic partnerships on file with the City as of December 31, 2016, until the participating employee's separation from employment or dissolution of the domestic partnership, whichever occurs first.

6.2 Medical Insurance. The City of Tacoma and the Joint Labor Committee have negotiated and put in effect medical insurance programs which will continue in effect for the duration of this Agreement. During the term of this Agreement, the City will provide medical insurance to employees and their eligible dependents through the plans described in Appendix A of the Joint Labor Agreement.

6.2.1 Eligibility. Permanent, project, appointive, and temporary pending exam employees and their dependents are eligible for coverage beginning on the first day of the calendar month following the date of hire, unless the date of hire is also the first working day of the calendar month, in which case benefits eligibility begins on the date of hire. All other temporary employees and their dependents are eligible for

coverage beginning on the first day of the calendar month following 60 days of continuous employment from the date of hire.

6.2.2 Default Options. If permanent, project, appointive and temporary pending exam employees fail to enroll or waive medical coverage within the required enrollment period, the employee will be enrolled automatically in the City's default medical plan. 6.2.3 City Payment of Claims/Premiums. Except as provided below, the City will pay the claims or premiums (according to the plan selected by the employee) associated with the medical insurance selected by the employee and eligible dependents from the City's Health Care Trust. The City will not use reserve funds for purposes other than paying costs associated with the maintenance and administration of its health insurance plans without the express negotiation and consent of the Joint Labor Committee.

6.2.4 Employee Contributions to Premiums.

Employees selecting employee-only coverage will contribute \$50 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$100 per month towards the premium costs of medical insurance.

In addition to these amounts, part-time employees assigned to work at least twenty (20), but less than thirty (30) hours per week will be responsible for the remainder of the premium cost of the plan they have selected after the City has made a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Employees will be eligible for benefits based on assigned work schedule. The work schedule shall be determined monthly, for pay periods in the upcoming month. Such schedules will be rounded up to the nearest four (4) hour increment. Part-time employees assigned to work thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

6.2.5 Wellness Credit. Employees participating in wellness will receive a \$20 per month credit toward their premium contribution for medical insurance coverage under the Regence PPO Plan or Kaiser Permanente HMO Plan, or a \$40 per month credit toward their premium contribution for coverage under the Regence HDHP/HSA Plan. Employees in a temporary status are not eligible to receive the credit.

Employees or their eligible dependents may not be insured on more than one City medical insurance plan. The City will not make changes to its dental or vision insurance plans during the term of this Agreement without first bargaining with the Joint Labor Committee. The City will pay the full premium cost for dental and vision insurance for employees and eligible dependents. Part-time employees assigned to work at least twenty (20), but less than thirty (30) hours per week will be responsible for a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Part-time employees assigned to work thirty (30) or more hours per week will make contributions equal to those of full-time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

6.3.1 Default Options. If permanent, project, appointive, and temporary pending exam employees fail to enroll or waive dental coverage within the required enrollment period, the employee will be enrolled automatically in the City's default plan. The default dental plan shall be the Delta Dental plan and the default vision plan shall be Vision Plan Services (VSP) unless the employee enrolled in the Kaiser Permanente HMO plan, which includes vision coverage. If a temporary employee fails to timely enroll or waive coverage, the employee will be determined to have waived coverage, until such time as they enroll pursuant to a qualifying life event or an open enrollment period.

6.4 Dual Coverage. No City employee or eligible dependent may be insured under more than one City medical, dental, or vision insurance plan. Employees whose spouses/domestic partners/children up to age 26 are eligible for medical insurance benefits through the City will share the costs of insurance as follows:

6.4.1 Employees Choosing the Same Plan – One spouse/domestic partner will be placed on the other's medical, dental, or vision insurance, and the primary spouse/domestic partner will pay the appropriate premium cost for family coverage.

6.4.2 Employees Choosing Different Plans – If spouses/domestic partners elect coverage under different plans, they may not provide coverage to their spouse/domestic partner on their medical, dental, or vision insurance plan. Each employee will pay the appropriate cost share (individual or family) depending on whether they include children on their plan.

6.4.3 Children up to Age 26 – Benefit-eligible employees whose parents are City employees must elect coverage in their name (paying the applicable premium

contribution) or coverage as a dependent on their parent’s plan (with no premium contribution), but may not receive coverage under two medical, dental or vision insurance plans.

6.4.4 Dual Coverage Wellness Credit - If an employee has a spouse/domestic partner or adult child under the age of 26 working for the City, and each completes the participation requirements for the Wellness Incentives, each employee will receive the Wellness Credit toward the employee premium contribution for medical insurance coverage.

6.5 Opt Out With Proof of Insurance. Subject to any applicable legal restrictions imposed by the Employer’s medical, dental and vision insurance providers, full-time and part-time employees may choose to opt out of the Employer provided medical, dental and/or vision insurance. To be eligible to opt out of the medical, dental and/or vision insurance, full-time permanent, project, appointive, and temporary pending exam employees shall be required to: (i) provide the Employer with written proof of alternative medical, dental and vision insurance coverage; and (ii) notify the Employer in writing within thirty (30) calendar days if he/she should lose their alternative medical, dental and vision coverage.

- 6.8.2** Employees shall accrue PTO on a prorated basis according to the percentage their FTE bears to full-time. Employees' PTO accrual rates shall be established as of January 1 of each calendar year and shall be based on the rate applicable to the number of years of aggregate service the employee will complete within that calendar year. An employee may accrue a maximum of 960 hours of PTO.
- 6.8.3** Employees in the PTO plan may, no later than January 31 of each year, submit in writing, on the form provided by and available from the Human Resources Department, a commitment to cash out up to 100 hours of available accrued PTO in February of the following year. INDEX OF LETTERS OF UNDERSTANDING

<u>Subject</u>	<u>Date Signed</u>
LOU Re: Aspiring Leaders Program (internal internship)	5/8/2019

Letter of Understanding
By and Between
City of Tacoma and
Tacoma Joint Labor Committee

Subject: Aspiring Leaders Program (Internal Internship)
Executed: May 8, 2019

The signatories to this Letter of Understanding agree to the following conditions in order to create an opportunity for employees to gain broader knowledge, perspective and experience of leadership activities by establishing an organized program for a selected intern(s) to shadow City executives and their staff over an eight-week timeframe. In addition to gaining valuable exposure through regular access to senior leadership, the selected intern(s) will also be responsible for completing an assignment by the end of the program.

The terms of the program are as follows and temporarily replace the terms and conditions as outlined in the current collective bargaining agreement, specifically with respect to schedule, overtime pay, travel time and meal allowances, and eligibility for call outs.

Duration of the program: Eight (8) weeks, unless otherwise agreed by the Executive and the intern
Work Week: 40 hours per week; Monday through Friday, 8 a.m. - 5 p.m.
Daily Schedule: Typically 8 a.m. - 5 p.m., with a 1 hour unpaid lunch; hours of work may be adjusted.
Flexible Schedule: Hours of work may be adjusted to provide flexibility in attendance at meetings, for travel to offsite and overnight meetings.

Overtime: FLSA overtime eligibility is not impacted by program participation. However, it is expected that hours adjusted due to the demands of a flexible workweek should be flexed within the same workweek. Any work performed in excess of forty (40) hours in a defined workweek shall be compensated at the appropriate overtime rate.

Compensation: The Intern will be paid at their existing hourly rate of pay or salary (to include longevity), inclusive of any application of rate regularly and customarily received by the employee.

Meals: Meal allowance will not be paid. Meals will be reimbursed by the City if purchased while on City business. Per diem rate will apply for meals while traveling outside of City limits.

Call-Out Eligibility: Interns will not be eligible for standby duty or call-out opportunities.

Examples of permissible schedule adjustments:

- Attending a 4-hour City Council meeting and leaving after a half day on a Friday
- Arriving an hour early to accommodate travel outside the city limits for meetings, and leaving an hour early
- Staying until 5:30 p.m. one day and coming in at 8:30 a.m. the next day (or perhaps leaving at 4:30 p.m.)

Other areas that are not explicitly outlined in this memorandum may be mutually agreed to between the parties in an effort to support the continuation and success of this program and the professional development of the employee.

Either the City of Tacoma or the Tacoma Joint Labor Committee on behalf of its member unions may elect to cancel this Letter of Understanding with sixty (60) days' written notice to the other party of its intent.
