**2024 - 2026
AGREEMENT
BY AND BETWEEN
THE
TACOMA POLICE UNION LOCAL #6, I.U.P.A.
AND
CITY OF TACOMA**

THIS AGREEMENT is between the CITY OF TACOMA (hereinafter called the City) and TACOMA POLICE UNION LOCAL #6 (hereinafter called the Union) for the purpose of setting forth the mutual understanding of the parties as to wages, hours, and other conditions of employment of those employees for whom the City has recognized the Union as the exclusive collective bargaining representative.

PREAMBLE

The City and the Union agree that the efficient and uninterrupted performance of municipal functions is a primary purpose of this Agreement, as well as the establishment of fair and reasonable compensation and working conditions for employees and the City. This Agreement has been reached through the process of collective bargaining with the objective of fostering effective cooperation between the City and its employees. Therefore, this Agreement and procedures which are established for the resolution of differences is intended to contribute to the continuation of good employee relations and to be in all respects in the public interest.

ARTICLE 1 - SUBORDINATION OF AGREEMENT

It is understood that the parties hereto and the employees of the City are governed by the provisions of applicable state law, the City Charter, City Ordinances, City policies, rules, or procedures, and Department policies, rules, or procedures. When any provisions of the City Charter, City Ordinances, or City or Department policies, rules, or procedures conflict with or are different than the provisions of this Agreement, the provisions of this Agreement are paramount and shall prevail.

ARTICLE 2 - RECOGNITION AND BARGAINING UNIT

The City hereby recognizes the Union as the exclusive collective bargaining representative for the purpose stated in Chapter 41.56 RCW as last amended of all employees commissioned under the LEOFF System employed within the bargaining unit defined by classifications listed in Appendix A to this agreement.

ARTICLE 3 - UNION MEMBERSHIP AND DUES

Section 3.1 The City agrees to deduct from the pay of each employee, who has so authorized it, Union initiation fees, monthly dues, and assessments as certified by the secretary of the Union. The City will rely on information provided by the Union regarding the authorization and revocation of deductions, and the Union will provide such information to an email address provided by the City. Upon receiving notice of the employee's authorization from the Union, the City will deduct from the employee's pay the authorized deduction and remit the same to the Union no later than the second payroll cycle following receipt of the authorization. The amounts deducted shall be remitted monthly by the City to the Union on behalf of the employees identified by the Union as authorizing the deduction(s). The Union shall provide the City with at least one full pay period

notice of any change in the amount of Union initiation fees, monthly dues, and assessments. The Union agrees to refund to the City any amounts paid to the Union in error on account of the provisions of this Section upon presentation of proper evidence thereof. There shall be no retroactive deduction of Union initiation fees, monthly dues, or assessments. The Union agrees to indemnify and hold harmless the City from any action arising from this Section, unless caused by the City's error or negligence.

Upon receipt of an employee request for authorization of payroll deduction of Union initiation fees, monthly dues, or assessments, the City will forward the request to the Union electronically within two weeks. The City will take no action upon receiving an employee request until receiving confirmation from the Union to begin deductions.

The employee's authorization will remain in effect until expressly revoked by the employee by written notice to the Union in accordance with the terms and conditions of the authorization. The cancellation will become effective no later than the second payroll cycle after receipt of the confirmation from the Union that the employee has revoked authorization for deduction.

Section 3.2 The City will provide Union access to new employees entering the bargaining unit prior to field training. The City will allow the Union at least thirty (30) minutes to meet with such individuals during work hours and at their usual worksite or a mutually agreed upon location.

Section 3.3 An employee may cancel their authorization to have the regular initiation fees, regular monthly dues, and assessments uniformly required deducted from their paycheck by signed, written request to the City. The cancellation will become effective no later than the second payroll cycle after receipt. The City shall provide a copy of each such request to the Union electronically within two weeks of the cancellation.

ARTICLE 4 - GRIEVANCE PROCEDURE

Section 4.1 A grievance is hereby defined as an alleged violation of a specific Article of this Agreement that is brought by the grieving party to the attention of the other party within thirty (30) working days of the time the grieving party first became aware of the alleged violation. An alleged violation of Article 27, Discipline, shall be submitted at Step 2 of this procedure. Working days referred to in this Article shall be identified as Monday through Friday with the exclusion of holidays recognized by the Employer. Such grievances shall be resolved in the following manner:

- Step 1 The Union or aggrieved employee shall first present the grievance in writing setting forth relevant facts including the alleged violation and the resolution requested to the Deputy Chief, or designee, who shall review the grievance and render a written decision within fifteen (15) working days of receipt of the grievance. The written grievance at this step and at all steps thereafter, shall contain the following information: (1) a statement of the grievance and the facts upon which it is based (2) the alleged violation of this Agreement, including the section(s) violated and an explanation how it was violated; (3) the remedy or adjustment sought; and (4) the signature of the aggrieved employee or Union Representative.
- Step 2 If the grievance is not resolved at Step 1, the Union or aggrieved employee may submit the grievance in writing to the Police Chief within fifteen (15) working days of receipt of the Deputy Chief's decision. The Police Chief or designee shall render a written decision within fifteen (15) working days of receipt of the grievance.
- Step 3 If the grievance is not resolved at Step 2, the Union may, within fifteen (15) working days from the completion of Step 2, give written notice to the Labor Relations

Division Manager or their designee, with a copy to the Chief, of its intent to submit the grievance to arbitration.

For non-disciplinary grievances, a representative of the Union and the Employer shall attempt to agree on a neutral arbitrator within ten (10) working days of the Union's request to arbitrate. If unable to reach agreement, they shall immediately request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service (FMCS). Upon receipt of the list, both parties shall meet within ten (10) working days to alternately strike names from the list until one name remains, who shall serve as the neutral arbitrator. The Union shall strike first in the striking process.

For disciplinary grievances, the arbitrator shall be assigned by PERC under the arbitrator assignment process for law enforcement personnel disciplinary grievances established by [RCW 41.58.070](#).

The arbitrator shall issue a written decision within thirty (30) calendar days of the close of the hearing or issue a bench decision if mutually agreed to and requested by both parties of this Agreement. The decision shall be final and binding on both parties. The arbitrator shall have no power to alter, amend or change the terms of this Agreement.

Section 4.2 Each party shall bear the expense of its own costs of preparing and presenting its own case, including compensating its own representatives and witnesses. The Union and the Employer shall share equally in the cost of services from the neutral arbitrator. If either party desires a record of the proceedings, it shall solely bear the cost of such record.

Section 4.3 Any and all time limits specified in the grievance procedure may be waived by written mutual agreement of the parties. Failure of the Union to submit the grievance in accordance with these time limits without such waiver shall constitute abandonment of that specific grievance. Should the Employer fail to submit a reply within the specified time limits without such waiver, the Union may submit the grievance to the next step within the grievance procedure.

At any step in the grievance procedure, including prior to filing a timely grievance, either party may request a meeting to discuss the facts and potential resolution of the grievance. If the parties mutually agree to meet, all grievance timelines shall be held in abeyance until such time as the parties are able to meet. If the grievance is unresolved after the meeting, the party needing to act on the grievance shall have from the date of the meeting the period of time at the applicable step set forth above in which to file or respond. (For example, the City shall have 15 working days from the date of the meeting in which to respond at Step 1.)

ARTICLE 5 - WORK STOPPAGES

The City and the Union agree that the public interest requires the efficient and uninterrupted performance of all City services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective: During the life of this Agreement, the Union shall not cause or condone any work stoppage, strike, slowdown or other interference with City functions by employees under this Agreement, and should same occur, the Union agrees to take appropriate steps to end such interference. Employees covered by this Agreement who engage in any of the foregoing actions, shall be subject to such disciplinary action as may be determined by the City.

ARTICLE 6 - MANAGEMENT RESPONSIBILITY

The Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its lawful mandate, and the powers or authority which the City has not specifically abridged, delegated or modified by this Agreement are retained by the City, including but not limited to the right to contract for services of any and all types. The direction of its working force is vested exclusively in the City. This shall include, but not be limited to the right to: (a) direct employees; (b) hire, promote, transfer, assign and retain employees; (c) suspend, demote, discharge or take other disciplinary action for just cause; (d) relieve employees from duty because of lack of work or other legitimate reasons; (e) maintain the efficiency of the operation entrusted to the City; (f) determine the methods, means and personnel by which such operations are to be conducted and (g) take any actions necessary in conditions of emergency regardless of prior commitments, to carry out the mission of the agency, provided, however, that items (a) through (g) shall not be in conflict with City ordinances and personnel rules.

The Union reserves its right to bargain over the effects of management's exercise of its rights under this Article.

ARTICLE 7 - VISITATION BY UNION REPRESENTATIVES

Elected Union Officers may, after notifying the City official in charge, visit the work location of employees covered by this Agreement at any reasonable time for the purpose of investigating grievances or conditions on the job. During such investigations, such representatives shall confine their activities to matters relating to this Agreement. City work hours shall not be used by employees or elected Union Officers for the conduct of official union business or organized meetings for the promotion of Union affairs. The Union shall furnish to the Chief of Police and the Human Resources Director an up-to-date list of authorized elected Union Officers and shall keep such list current.

ARTICLE 8 - SAFETY STANDARDS

Section 8.1 - Safety Committee The City and Union agree to a standing safety committee pursuant to [WAC 296-800-130](#). In addition to the representatives elected or appointed under WAC 296-800-130, the committee will include a representative appointed by the Union and the City Safety Officer. ARTICLE 9 - COMPENSATION PLAN

The Compensation Plan contained in Chapter 1.12 of the Official Code of the City of Tacoma as now enacted or hereafter amended is hereby incorporated as part of this Agreement for the purpose of information for the members of the Union. Nothing in this section shall be construed to permit variances from the terms of this Agreement without the mutual consent of the parties, or to constitute a waiver of the parties' obligation to collectively bargain.

ARTICLE 10 - STANDARD WORKING CONDITIONS

- C. In the event that an employee is sick or injured or otherwise qualifies for sick benefits while they are on vacation, and it can be established that the employee is incapacitated due to illness or injury the day or days that they are sick under these circumstances shall be carried as sick rather than vacation, and they will, for all purposes, be treated as though they were home solely for the reason of their illness or injury.

Section 10.3 - On-the-Job Injury

- A. Coverage shall be as provided in the Joint Labor Committee contract.
- B. For all employees, sick leave will be credited and debited to each employee in the same amounts, and under the same policies governing all City employees.

This section provides in part that the following and such other days as the City Council, by resolution, may fix, are holidays for all regularly employed full-time employees of the City and shall be granted employees or days off in lieu thereof. The City will make benefits available to domestic partners, including insurance, paid leave and statutory Family and Medical Leave, on the same basis that those benefits are provided to employee spouses. Domestic partners will be recognized if the domestic partnership is registered with or recognized by the State of Washington pursuant to RCW 26.60; provided, that the City will continue to recognize domestic partnerships on file with the City as of December 31, 2016, until the participating employee's separation from employment or dissolution of the domestic partnership, whichever occurs first.

A. Medical Insurance Plans.

1. Effective the first of the month following the effective date of the Agreement, or as soon thereafter as the City can complete an appropriate transition, the existing medical and hospital insurance plans provided by the City will be updated with the Regence PPO Plan (PPO), the Regence High Deductible Health Plan/Health Savings Account (HDHP/HSA) Plan and Kaiser Permanente HMO Plan as described in Appendix C. The City will continue to provide medical insurance to employees and their eligible dependents through the plans described in Appendix C.
2. **Eligibility.** Employees and their dependents are eligible for coverage beginning on the first day of the calendar month following the date of hire, unless the date of hire is also the first working day of the calendar month, in which case benefits eligibility begins on the date of hire.
3. **Default Options.** If an employee fails to enroll or waive medical coverage within the required enrollment period, the employee will be automatically enrolled in the City's default medical plan. The default plan shall be the Regence PPO Plan.
4. **Employee Contributions to Premiums.** Employees selecting employee-only coverage will contribute \$50 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$100 per month towards the premium costs of medical insurance. Employee contributions towards premium costs of medical insurance shall not increase during the term of the agreement.

5. **Contributions to HSA Accounts.** Employees who select the Regence HDHP/HSA option will receive an annual contribution to a health savings account in the amount of \$500 per year for employees selecting employee-only coverage and \$1,000 per year for employees insuring one or more dependents; provided that for employees participating in wellness as described in Section 10.5.C below, the contributions will be \$1,250 per year for employees selecting employee-only coverage and \$2,500 per year for employees insuring one or more dependents. Contributions will be deposited on a biweekly basis. Employees may contribute to their own accounts up to the maximum dollar value permitted by applicable law.

B. **Wellness Credit.** Employees participating in wellness will receive a \$20 per month credit toward their premium contribution for medical insurance coverage under the Regence PPO Plan or Kaiser Permanente HMO Plan, or a \$40 per month credit toward their premium contribution for coverage under the Regence HDHP/HSA Plan.

To receive the incentive, employees must earn the incentive by meeting the annual Wellness Program requirements completed during the incentive tracking period as identified in (Appendix D).

Employees or their eligible dependents may not be insured on more than one City medical insurance plan. If an employee has a spouse/domestic partner or adult child under the age of 26 working for the City, and each completes the participation requirements of the Wellness Incentives, each employee will receive the Wellness Credit toward the employee premium contributions for medical insurance coverage.

C. **Dual Coverage.** Effective the first of the month following the effective date of the Agreement, no City employees or eligible dependent may be insured under more than one City medical, dental, or vision insurance plan. Employees whose spouses/domestic partners/children up to age 26 are eligible for medical insurance benefits through the City will share the costs of insurance as follows:

1. Employees Choosing the Same Plan – One spouse/domestic partner will be placed on the other’s medical, dental, or vision insurance, and the primary spouse/domestic partner will pay the appropriate premium cost for family coverage.
2. Employees Choosing Different Plans – If spouses/domestic partners elect coverage under different plans, they may not provide coverage to their spouse/domestic partner on their medical, dental, or vision insurance plan. Each employee will pay the appropriate cost share (individual or family) depending on whether they include children on their plan.
3. Children up to Age 26 – Benefit-eligible employees whose parents are City employees must elect coverage in their name (paying the applicable premium contribution) or coverage as a dependent on their parent’s plan (with no premium contribution), but may not receive coverage under two medical, dental, or vision insurance plans.

D. **Dental/Vision.** The City will provide dental and vision insurance to employees and eligible dependents according to the terms of its insurance plans. The City will pay the full premium cost for dental and vision insurance for employees and eligible dependents.

- E. **Opt Out With Proof of Insurance.** Subject to any applicable legal restrictions imposed by the Employer's medical, dental and vision insurance providers, full-time and part-time employees may choose to opt out of the Employer provided medical, dental and/or vision insurance. To be eligible to opt out of the medical, dental and/or vision insurance, full-time permanent, project, appointive, and temporary pending exam employees shall be required to: (i) provide the Employer with written proof of alternative medical, dental and vision insurance coverage; and (ii) notify the Employer in writing within thirty (30) calendar days if they should lose their alternative medical, dental and vision coverage
- F. **Group Life Insurance.** Group life insurance shall be as provided in Section 1.12.110 of the Official Code of the City of Tacoma. The City will pay fifty (50) percent or more, as budgeted therefore, of the cost of premiums for those employees electing to participate. The amount of insurance an employee may purchase is one (1) times his/her annual salary rounded to the next highest thousand dollars.
- G. **LEOFF II Retiree Medical Coverage.** The City agrees that bargaining unit members who hereafter retire into the state LEOFF II retirement system for length of service or on-duty disability, may participate in the City's health insurance program as follows:

Any member receiving a pension for years of service hereunder who because of lack of age only, cannot qualify for Social Security and Medicare benefits shall be granted the privilege and option, at their own expense, to purchase from a health care contractor or insurer furnishing such service to active employees of the City, a policy or policies of health insurance embodying therein terms substantially similar to those granted active employees, paying therefore the same amount as the City pays for its employees on a composite rate. Retiring City of Tacoma employees will not be offered the Kaiser Permanente medical plan, but the City will provide the Regence PPO and the Regence HDHP plans as options for continued medical coverage. The employer will not make a contribution to an HSA account. The option and privilege herein shall terminate automatically upon the member's reaching an eligible age to qualify for Medicare, whether in fact or not such member obtains the same. In no event shall the granting of this privilege give or grant the retired member any preferential treatment with reference to the health contracts over and above that of active employees of the City of Tacoma, and such privilege is at all times subject to the ability of the City of Tacoma to negotiate for and obtain said health care coverage. There shall exist no obligation on the part of the City to contribute any part of the purchase price of said policy, nor shall the City's General or Revenue Funds nor the Employee's Retirement Fund make any contribution therefore; provided, however, that if in fact any change results in the composite rate charged the City for all its employees from the granting of this privilege, such adjustment in the composite rate shall not be deemed a contribution of the City or of Administration hereunder.

- H. **Insurance for Survivors in the Event of On-Duty Death.** In the event of the death in the line of duty of an employee represented by Tacoma Police Union, the surviving spouse or personal representative of the estate of the deceased employee may elect to obtain coverage for eligible family members within 60 days after the death pursuant to the same terms and conditions as is made available to retirees represented by Tacoma Police Union.

Insurance Negotiations. Nothing in this section shall be construed to make the Union a part of the Joint Labor Committee, or bind the Union to any action taken by the Joint Labor Committee.

Section 10.10 – PORAC Retiree Medical Trust (RMT).

- A. The PORAC Retiree Medical Trust (PORAC RMT) is established in accordance with applicable federal and state laws, and the monies contributed are on a pretax basis. The monies contributed to the PORAC RMT fund shall only be used for retiree health insurance premiums or other qualifying medical expenses as allowed by law and the PORAC RMT Plan. The contributions under this Section constitute the entire obligation of the City with respect to funding the PORAC RMT fund. The City is not providing or guaranteeing any benefit under the PORAC plan, and no employee shall have a vested right in retiree medical benefits from the City. It is the understanding of the parties that the City is merely forwarding contributions and the City is not obligated to provide any retiree benefits to any employee by virtue of its agreement to make or forward PORAC RMT contributions.
- B. The PORAC RMT shall be and remain separate and apart from any City health insurance, City administered HRA/VEBA funding program, and the Article 35 VEBA program.
- C. The City is not a party to the PORAC RMT, aside from transferring funds as provided under this Section, and has no obligations related to the RMT's management, regulatory compliance, or performance. In the event the RMT becomes insolvent or unable to pay retiree medical benefits, the City has no financial obligation to the PORAC RMT, the Union, or the Union's members.
- D. There will be no cost to the City of establishing the PORAC RMT. The Union will pay to the City such reasonable and necessary sums related to any startup payroll programming needed to effectuate any City automatic transfer of employee funds to the PORAC RMT.
- E. The City will comply with reasonable rules set by the PORAC RMT with regard to reporting and depositing the required contributions set forth in this Section. In the event the reporting requirement of the PORAC RMT requires reporting beyond that which the City typically provides to third-party benefit providers, the City will require the Union to pay for any costs related to programming or producing such reports. Prior to engaging in any activity that could result in such an expense, the City will secure the Union's authorization.
- F. All employees covered by this Agreement shall participate in the PORAC RMT program. No employee may request, nor will any employee receive, exemption from participation. There shall be no employee election available to take the employee contribution amount in cash or to determine the employee contribution amount.
- G. The employee contributions to the PORAC RMT shall be included as salary for purpose of calculating pension benefits, unless otherwise dictated by law or the administrative rules of the State of Washington LEOFF II retirement plan.
- H. The Union agrees to indemnify and hold the City harmless from any liabilities of any nature that may arise as a result of the operation of the PORAC RMT, except for the obligation of the City to remit and report the non-elective transfer of contributions as described in this Section.

- I. Effective upon ratification by the City Council, and as soon as practicable, the City will make a one-time contribution of five hundred dollars (\$500.00) on behalf of each LEOFF II employee of the bargaining unit to PORAC RMT. Should at any time in the future the City have an obligation to contribute any additional funds, either to a PORAC RMT account or to the participant directly, for retiree medical, the Union or Trust agrees to give the City at least 60 days advanced notice of such an obligation and Section 10.10 of the parties CBA will terminate, effective as the date of the notification of said obligation. The termination of Section 10.10 shall be separate from the rest of the CBA and shall be expressly exempt from the provisions of RCW 41.56.123. Upon termination of Section 10.10, the employee's contributions that would have been paid pursuant to sub-section J below shall be paid directly to the employee-as wages and will not be contributed to a PORAC RMT account. Nothing herein shall constitute a waiver of the Union's right to bargain for a City contribution to the PORAC RMT
- J. Employee PORAC RMT Contribution. Effective upon ratification by the City Council, and as soon as practicable, the City agrees to deduct from the paycheck of each employee a standard amount of one hundred dollars (\$100.00) per month and will promptly transfer said amount to PORAC RMT. The amount of the PORAC RMT contribution may be adjusted by the Union no more than once during the term of the collective bargaining agreement, and with at least sixty days' written notice to the City's Human Resources Director of any change in the deduction amount. There shall be no retroactive deductions.

ARTICLE 11 – TERM OF AGREEMENT

This Agreement shall remain in full force and effect from January 1, 2024, up to and including December 31, 2026, provided, however, that this Agreement shall be subject to such change or modification as may be mutually agreed upon by the parties hereto.

Both seniority lists shall be updated on October 1st of each year and on that date posted in the Department. Copies of the two (2) lists as posted shall concurrently be mailed to the Union. Any objections to these seniority lists as

4. General Duty Assignment

A general duty assignment is defined as a uniformed position in Operations assigned to primary call responding duties.

B. Seniority Based Shift Scheduling

1. For the purposes of Article 12 (B), seniority shall be defined as classification seniority. A Police Officer, Police Patrol Specialist, or Sergeant assigned to a general duty or traffic position and employees scheduled to be reassigned to a general duty position at the beginning of the assignment period shall select shifts on the basis of seniority. Police Patrol Specialists are restricted to general duty and traffic assignments.

Shifts shall be selected annually by October 1st of each year for the next twelve (12) month period. The October bid is for the following January assignments.

- a. All Police Officers and Sergeants who have not successfully completed their initial or promotional probationary period prior to the commencement of the next shift assignment will be exempt from this selection process.
 - b. Nothing contained herein shall limit the discretion of the employer to determine the number of employees to be assigned to each shift, division, unit bureau or specialized position, or the discretion of the employer to assign and transfer employees to meet the reasonable operating requirements of the Department to include temporary hardship needs of an employee. Provided, however, the employer has the discretion to assign more senior officers to other than day shift, to balance the staffing mix of the Department whenever the officers on a shift have an average of less than three (3) as a commissioned officer. Commissioned experience in another department will be counted on a year for year basis. Sergeant's experience will also be calculated in the staffing mix and probationary employees will not be included when computing the average.
 - c. In the event it becomes necessary in the reasonable opinion of the employer to transfer a Sergeant, Police Patrol Specialist or Police Officer from one shift to another the most recent bids will be used to facilitate the transfer.
 - d. Subject to staffing needs and maintaining efficiency of the division/work unit, seniority shall be the sole factor in the selection of shifts.
2. Once a schedule is in effect, Police Officers, Police Patrol Specialists, and Sergeants will not be allowed to indiscriminately change their shifts. However, if there is a voluntary request for a change in shifts between various officers, the same may be accommodated if all seniority requirements are taken into consideration concerning each work unit as a whole by posting the position twenty (20) days prior to assignment.
 3. Notice of vacancies within shifts will be posted by work unit twenty (20) days prior to assignment. Management retains the right to first determine whether

the shift vacancy will be filled. Management shall have the right to temporarily make assignments during the posting period.

4. In the event of a transfer from a non-general duty assignment, the Officer being transferred from the non-general duty assignment will go to the shift from where their replacement came. The transferred Police Officer or Sergeant will have to wait for the next bidding process to effect their seniority.

If the Union member on the state or national union board holds a City work assignment that can be fulfilled remotely, the Union member will be permitted to flex their regular schedule to conduct state or national union board business without loss in City pay or use of employee leave, as long as the employee fulfills their City duties. An employee will be paid for the lunch break if the employee is involved in the same case which is actually heard in both the morning and afternoon. If the employee is called for two different cases in one day, the lunch break is not paid as it will be treated as two separate call-outs.

All types of pyramiding of overtime relating to Sections 17.1 and 17.2 shall be disallowed.

Section 17.3 – Cancellation of Court Appearances Whenever a court or hearing appearance not scheduled during an employee's normal duty hours is canceled after 1800 hours on the day preceding the scheduled appearance, such cancelled court or hearing appearance shall be considered work time and as such, the employee shall be entitled to the overtime minimum payments for purposes of Article 16 of this Agreement. These matters are unrelated to City of Tacoma work and are not compensable as hours worked.

However, to support officers that have lateraled from different agencies, the Parties agree to the following:

When a lateral officer receives a subpoena in a criminal proceeding and is required to testify in court on a criminal matter related to the officer's former agency, the officer shall be compensated as follows:

The City will deduct from employees’ paychecks the costs of the long-term disability insurance obtained by the Union and will transmit such amounts to the Union on a monthly basis.

An employee may contest a discharge, suspension for any length, or demotion, or any other penalty that results in an economic loss to the employee through the grievance procedure in Article 4 of this Agreement. The filing of such a grievance shall be considered a voluntary and irrevocable waiver of the right to pursue the matter under the Civil Service procedure.

Section 27.2 It is the Employer's sole determination as to whether or not an employee suspended without pay may be allowed to forfeit accrued vacation or compensatory time off in lieu of the suspension of pay.

ARTICLE 28 - SAVING CLAUSE

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or portion of the Agreement shall not invalidate the remaining portions thereof, and the remaining parts or portions remain in full force and effect.

ARTICLE 29 – EMBODIMENT

The Agreement expressed herein in writing constitutes the entire Agreement between the parties and no oral statement shall add to or supersede any of its provisions.

Forty-eight Hour Notices are intended to be used by Internal Affairs only.

- A. The employee will be informed prior to the interview if the Employer believes the employee is the subject of an investigation unless doing so would jeopardize the investigation.

considered formal discipline and is not subject to the grievance procedure.

Section 30.3 - Oral Reprimands Incidents for which discipline no greater than an oral reprimand may result may be handled by the immediate supervisor after review by the bureau command staff. A notation will be placed in the employee's electronic file regarding the reprimand.

- A. An incident resulting in a bureau written reprimand will be reviewed by the bureau command staff prior to placement of the reprimand in the employee's electronic file.

- B. If a supervisor begins an interview and learns of information that may result in discipline resulting in economic sanctions, they will immediately terminate the interview.
- C. The supervisor will document their actions and submit the investigation to the Bureau chain of command. The Bureau Chief shall determine whether or not the investigation will be transferred to Internal Affairs. If so, Internal Affairs will handle all aspects of the investigation from that point on, including service of Forty-eight Hour Notices, as set forth below, and ordering an employee to complete administrative reports and/or submit to interviews.
- D. A Forty-eight (48) Hour Notice is hereby defined as a written notice given to an employee when they are being required to prepare an administrative report or be interviewed by Department representatives concerning their actions, when it is believed that economic sanctions may result. This notice is intended to be the minimum amount of time afforded to the employee. Nothing in this agreement prevents the employer from allowing more time or the employee from waiving their right to forty-eight hours before preparing an administrative report or participating in an interview.
- E. **Notification** The employee shall be notified of a Forty-eight Hour Notice by personal contact. The personal contact shall be handled in a confidential manner. Thereafter, a written Forty-eight Hour Notice will be served, in a confidential manner, using a standard Tacoma Police Department form.

The Internal Affairs Unit will conduct all interviews that may lead to economic sanctions, including but not limited to dismissal, demotion and/or suspension.

- A. If after a complainant is interviewed regarding an action or inaction of an employee, and further investigation is deemed necessary, the employee shall be notified, orally or in writing, of the complaint, and be provided with a copy of the complaint as soon as practicable. This requirement will not apply where the employee is under investigation for violations which are punishable as felonies or misdemeanors under Washington law. Also, the employee will not be notified if doing so would jeopardize either the criminal or administrative investigation.
- B. The employee will be allowed a minimum of forty-eight (48) hours notice to appear before Internal Affairs to answer questions; however, the employee need not exercise the full time frame if they feel that they have received all the information necessary to assist in their interview.
- C. The employee shall be allowed the right to have a union representative and/or an attorney present during the interview.

Section 30.8 - Interviews

- A. Interviews shall take place at Department facilities, or elsewhere if mutually agreed, unless an emergency exists which requires the interview to be conducted outside of Department facilities.
- B. The Employer shall make a reasonable good faith effort to conduct these interviews during the employee's regularly scheduled shift, except for emergencies.
- C. The employee will be required to answer any questions involving non-criminal matters under investigation and will be afforded all rights and privileges to which they are entitled under the laws of the State of Washington or the United States. Prior to any questioning, the employee will be notified in writing and acknowledge receipt of the following:

"You are about to be questioned as part of an internal investigation being conducted by the Tacoma Police Department. You are hereby ordered to answer the questions that are put to you which relate to your conduct and/or job performance, and to cooperate with this investigation. Your failure to cooperate with this investigation can be the subject of disciplinary action in and of itself, including dismissal. The statements you make or evidence gained as a result of this required cooperation may be used for administrative purposes but will not be used or introduced into evidence in a criminal proceeding."
- D. Interviews shall be done under circumstances devoid of intimidation, abuse or coercion.
- E. The employee under investigation shall not be subject to offensive language or threatened with any punitive and/or retaliatory action. Promise or reward shall not be made as an inducement to answering any question. The employer shall not cause the employee under interrogation to be subjected to visits by the press or news media without their express consent nor shall their home address be given to the press or news media without the employee's consent.

- F. All interviews shall be limited in scope to activities, circumstances, events, conduct or acts that pertain to the specific complaint/incident, which is the subject of the investigation. Nothing in this section shall prohibit the Employer from questioning the employee about information which is developed during the course of the interview.
- G. If the Department tape records the interview, a copy of the complete interview of the employee, noting all recess periods, shall be furnished, upon request, to the employee. If the interviewed employee is subsequently charged and the Employer transcribes any part of any recording, the employee shall be given a complimentary copy thereof.
- H. Interviews and investigations shall be concluded with no unreasonable delay. If an investigation extends past thirty days the employee(s) that are the subject of the investigation will be notified of the case status in writing. Status reports will be provided to the employee(s) every thirty days thereafter.

Section 30.9

The employee shall be advised of the results of the investigation and any future action to be taken on the incident. The employee shall be provided with a copy of the Bureau Chief's recommendations concerning possible disciplinary action within 48 hours of such recommendations.

Section 30.10 - Departmental Charges

When the investigation results in Departmental charges being filed, the employer shall:

- A. After the investigation is complete, and at least seventy-two hours prior to the pre-disciplinary hearing, furnish the employee, and at the employee's written request, the Union, with a copy of the reports of the investigation which contain all known material facts of the matter, to include any tape recordings at no cost. Section 30.12 - Use of Deadly Force Situations

- A. Employees directly involved in the use of deadly force shall be allowed, at their request, to consult with a union representative and/or an attorney prior to being required to give an oral or written statement about the use of deadly force. Such right to consult with a union representative and/or an attorney shall not unduly delay the giving of the statement. A Union representative (Union officer, usually the President or Vice President) and a Department representative (a member of the Administration, probably the CDO) will conference and mutually agree to a time when an oral or written statement will be given.
- B. Psychologist Referrals

1. Employees directly involved in the use of deadly force shall be required to consult with the Department psychologist.
2. Employees directly involved in the use of deadly force against animals may be required by the department to consult with the Department psychologist.
3. The employee directly involved in the use of deadly force will be placed on administrative leave. Once released to return to duty, the employee is expected to report to work on their next regularly scheduled shift.
4. During the administrative leave the employee will schedule any follow up appointments with psychologists, doctors and/or any other assistance that they may require.
5. The administrative leave, set forth in number 3 above, is required only for the employee(s) actually applying the deadly force. Administrative leave for other employees who may be involved or witness the incident but did not apply deadly force will be evaluated on a case-by-case basis.
6. The employee may utilize appropriate leave, including workers' compensation, sick leave, compensatory time or vacation, if they disagree with the psychologist's recommendation to return to duty.
7. The employee may request a second and/or third opinion pursuant to Section 1.24.800 of the Official Code of the City of Tacoma.

Section 30.14 - Searches of Storage Space

Absent an employee's consent or exigent circumstances, no assigned storage space shall be searched relative to a criminal or internal investigation without a search warrant having first been issued for the area to be searched. The Department reserves the right to enter, inspect and/or reclaim the use of storage space absent employee's consent when the assignment of any storage space is not determinable after a reasonable effort has been made to determine who is using the space.

Section 30.11 - Criminal Investigations

This Article shall not apply to criminal investigations conducted by the Department. In such criminal investigations, the following procedures shall be followed prior to the commencement of the interview:

- A. The investigator shall notify the employee of the criminal nature of the investigation;
- B. The investigator shall notify the employee that a refusal to answer questions asked by the investigator will not be a basis for disciplinary action against the employee.

The employee has the right to not participate in the interview, and the right to terminate the interview, without resulting discipline.

ARTICLE 31 - WORK FOR THE TACOMA VENUES AND EVENTS (TVE)

Utilization of police bargaining unit personnel by the Tacoma Venues and Events shall be as follows:

- A. Staffing levels at the Tacoma Dome events shall be set by the Tacoma Venues and Events (TVE) management in consultation with the Police Department and shall be established at levels sufficient to provide officer safety. If reasonably possible, staffing levels shall be set at least fourteen (14) days prior to the event. Officers assigned to the Dome shall perform the normal duties of a Police Officer and shall be subject to the direction and control of the Police Department.
- B. Such personnel shall be paid through the City payroll system and therefore, eligible for the same benefits as other similarly employed personnel. All appropriate payroll deductions shall be made.
- C. All police bargaining unit personnel working TVE Department events either inside or outside the facility shall be assigned and work a minimum of four (4) hours each event and shall be compensated for all hours worked, except as follows:

 - 3. when an officer elects to leave, due to lack of work as determined by TVE management, they shall receive pay for the hours actually worked.
- D. The TVE Department shall receive seven (7) days in advance of an event, notice from the special events officer regarding the availability of the required number of police personnel. If the required number of acceptable police personnel cannot be obtained from within the Tacoma Police Department, the Chief of Police may contact other law enforcement departments to obtain additional police personnel in order to achieve the required number of volunteer police personnel for an event.
- E. The hourly pay rate for volunteer work performed under the terms of this Article shall be at time and one-half (1-1/2) the officer's rate of pay.

ARTICLE 32 - TUITION REIMBURSEMENT

ARTICLE 33 – DRUG AND ALCOHOL TESTING PROGRAM

Reporting to work under the influence of alcohol and/or illegal drugs is strictly prohibited and may result in disciplinary action, up to and including termination. Treatment/rehabilitation for alcohol or drug abuse undertaken by the employee following commencement of any internal investigation or other disciplinary action shall be considered by the City in administering discipline to the employee. The City policy and procedures shall be followed.

Where a supervisory employee of the City has a reasonable suspicion to believe an employee is under the influence of alcohol or illegal drugs, or is using illegal drugs, the employee in question will be asked to submit to discovery testing in accordance with the city policy and procedures.

An employee who refuses to submit to discovery testing for alcohol and/or illegal drugs shall be conclusively presumed to be under the influence of alcohol or an illegal drug for the purpose of administering the policy.

ARTICLE 34 – 4TH OF JULY

- A. Bargaining unit work on the Fourth of July holiday for the Freedom Fair (or an equivalent event) or fireworks patrol shall be staffed as follows:
1. The operational period for this agreement will be defined as beginning on July 4 at 0500 and concluding July 5 at 0200 hours, and all overtime and holiday premium pay will continue during that operational period.
 2. The City shall first use those employees who would be regularly scheduled to work on the Fourth of July holiday.
 3. In the event, there is a need for more personnel than those employees who would be regularly scheduled to work on the Fourth of July holiday to perform bargaining unit work on the Fourth of July holiday, the City shall seek volunteers to perform all such work from the members of the bargaining unit represented by the Union by sending an email communication to all Local 6 bargaining unit employees seeking volunteers at least sixty (60) calendar days prior to the Fourth of July holiday and allowing Local 6 bargaining unit employees to accept the volunteer work until at least thirty (30) calendar days prior to the Fourth of July holiday. Any bargaining unit employee volunteering for such work shall be allowed the opportunity to work and shall be paid the applicable rate for such work on the holiday.

In the event there is a need for more personnel in addition to those employees who would be regularly scheduled to work on the Fourth of July holiday and volunteers to perform bargaining unit work on the Fourth of July holiday, the City shall use law enforcement personnel from other agencies to perform such work. This section shall not apply to the staffing of specialty positions necessary for the Fourth of July holiday.

- B. The City will not force any member of the bargaining unit who is not regularly scheduled to work on the Fourth of July holiday to work on such holiday unless the City is unable to obtain sufficient department volunteers and law enforcement personnel from other agencies to adequately staff the Fourth of July holiday.
- C. In the event it is necessary to force employees to work the Fourth of July holiday in accordance with paragraph B above, employees shall be assigned to the Fourth of July holiday using reverse department seniority (lowest to highest).
- D. Any employee forced to work on the Fourth of July holiday as provided in paragraph B and C above, shall be paid triple time of their regular rate for all hours worked during the operational period defined in paragraph A.1.
- E. The Union waives any right to challenge or make reference to the City's use of law enforcement personnel from other agencies to perform bargaining unit work on the Fourth of July holiday in accordance with this Article in any proceeding, including a

proceeding claiming that the City's use of law enforcement personnel from other agencies in accordance with this section constitutes skimming.

- F. The City waives any right to make reference to the use of law enforcement personnel from other agencies to perform bargaining unit work on the Fourth of July holiday in any proceeding, including any grievance, arbitration or PERC proceeding.
- G. Nothing in this section shall preclude either party from seeking to enforce the terms of this section.

ARTICLE 35 – LEOFF II VOLUNTARY EMPLOYEE BENEFICIARY ASSOCIATION (VEBA)

Section 35.1 - VEBA Program Parameters:

- A. The Union will forego one percent (1.0%) of the bargaining units' salary. Once the bargaining unit wage scales are identified in any given year, each member of the bargaining unit will receive ninety-nine percent (99%) of the base wage rate in exchange for this benefit.
- B. For the specific purpose of calculating wage comparisons, the one percent (1.0%) reduction will be considered as a component of base wages.
- C. The VEBA retirement program is only available to bargaining unit members, who are enrolled in the Washington State Law Enforcement Officers' and Fire Fighters' (LEOFF) Plan 2 retirement plan. This plan is only applicable to such employees who voluntarily separate employment from the City service through retirement.
- D. The VEBA retirement program is not an employee right. Employees must meet the eligibility criteria and terms of the program.

Section 35.2 - Rules and Eligibility Requirements:

- A. This is a voluntary program offered to eligible LEOFF Plan 2 employees. Such employees must meet all eligibility requirements to be approved for the retirement incentive program, and the City retains the ability to make the final eligibility decisions.
- B. This voluntary retirement program does not include a direct cash payment. Instead, it consists of payments made into approved retirees' VEBA accounts until the earlier of the month when the employee reaches age sixty-five (65) or Medicare eligibility. These payments will be subject to all rules and laws applicable to the retirees' VEBA accounts.
- C. If the retiree passes away before Medicare eligibility or age sixty-five (65), the VEBA contribution will terminate. The retiree's beneficiary (spouse or qualified dependent) will be eligible to continue to utilize this program until the funds in the deceased retiree's account are exhausted. In the event there is no beneficiary, the remaining funds will be equally distributed among current VEBA participants within this program.
- D. Employees approved for this program and separating from service due to a disability retirement must meet the age and years of service requirements in paragraph J below.

- E. An employee applying for the LEOFF II VEBA retirement program must be eligible to retire under the LEOFF Plan 2. If an employee applies but does not retire by the established retirement deadline, the employee will not be eligible for the program in any future year.
- F. Employees approved for the retirement program will not be placed on the City's layoff registers and are not eligible for rehire as a regular, benefited, permanent employee.
- G. Employees approved for the retirement program agree not to file for unemployment benefits due to separation of employment from the City.
- H. Each year the LEOFF II VEBA retirement program will be open for up to twelve (12) employees, no more than three (3) of which retire in any one (1) quarter. If more than twelve (12) employees apply for enrollment into the program, selection will be accomplished on the basis of Department seniority only, excluding individual or personal factors. Any changes to the maximum number of employees who may apply for this program will require mutual agreement between the parties. In the event an employee is selected as one of the twelve (12) eligible employees for the VEBA retirement program but withdraws their retirement prior to January 1st of the subsequent VEBA retirement year, the open slot(s) will be awarded to the next eligible employee who otherwise timely applied for the VEBA program.
- I. At any given time that the collective cost of the VEBA retirement program exceeds two percent (2%) of base wages annualized, up to one percent (1%) from the Union and up to one percent (1%) from the City, the parties agree to reopen negotiations regarding a cost-sharing agreement, during which time, no new employees will be added that would cause the program to exceed two percent (2%). Effective January 1, 2024, the City's monthly contribution will be \$597.00. A two percent (2%) per year escalator provision to the City's monetary contribution to the VEBA account for eligible current and future participants will be provided annually on January 1.
- J. To be eligible for the program, employees must be at least fifty-three (53) years of age. In addition, employees must have age + years of service totaling at least seventy-five (75) or higher.
- K. The deadline to apply for this retirement program is no later than 5:00 pm, December 1st of the current year, unless otherwise agreed to by the parties.
- L. The deadline to retire for approved employees is the end of the quarter of the following year identified for their retirement, unless otherwise agreed to by the parties. Payments will begin the first full month following retirement; provided that any employee who retires ahead of their planned retirement date will not receive the first payment until the first of the month following the approved retirement date based on the selection criteria set forth in paragraph H of this Article.
- M. Enrollees will sign an agreement that outlines the parameters, eligibility and terms of the retirement program.

The Parties will reopen negotiations on this voluntary retirement benefit program in the event that State or national health care laws provide a retirement benefit option to police officers.

ARTICLE 35 – INVESTIGATIVE SUSPENSION WITHOUT PAY

The Chief (or the officially designated Acting Chief) shall place an employee on an investigative suspension, without pay status, when that employee has been charged with a crime that, if found guilty, would disqualify the employee from maintaining their peace officer commission per [RCW 43.101.105, Section 2 \(a\) \(i\) A-E](#), or as hereafter amended by the Legislature.

The Chief (or the officially designated Acting Chief) will notify the employee in writing of the investigative suspension, with a copy provided to the Union.

During the investigative suspension, the City will continue the employee's existing employer-paid health insurance benefits (medical, dental, vision, EAP, wellness). The employee will be required to pay their share of the health care premiums. The City maintains the sole determination as to whether an employee may be allowed to utilize accrued vacation time or floating holidays during the investigative suspension.

Investigative suspensions are not disciplinary in nature and, therefore, are not subject to the grievance or Civil Service procedures.

Should the employee be found not guilty, the criminal charge is otherwise disposed of without a finding of guilt, or the criminal charge is reduced below the disqualifying offenses listed in RCW 43.101.105, Section 2 (a) (i) A-E, the employee will be returned to a paid status with back pay with nine percent (9%) interest. Back pay will not be provided if the employee resigns, retires, or is medically separated while the suspension remains in effect and the criminal charges remain pending.

The investigative suspension will end if the criminal charges have been fully adjudicated, but the City's internal/administrative investigation has not yet been completed. Until the internal/administrative investigation is finalized, the employee will be returned to a paid status with back pay, and the employee will either be returned to work or placed on paid administrative leave. If the City proposes discipline after the finalization of the investigation, the employee will be afforded a pre-discipline *Loudermill* hearing, consistent with the other terms of this Agreement. If no discipline is proposed after the investigation is complete, the employee will be offered a post-suspension hearing to rebut the original charges further or clear their name.

Nothing in this section prohibits the City from imposing discipline when supported by "just cause," regardless of whether the employee is convicted of a crime, or from conducting an internal/administrative investigation while a criminal investigation or criminal prosecution of an employee remains underway.

Violations of the process outlined in this Article may be grieved under the terms of the Collective Bargaining Agreement. However, the investigative suspension itself is not grievable or appealable under the Civil Service procedures.

APPENDIX A
TACOMA POLICE UNION LOCAL #6
 Bargaining Unit

A. There shall be six (6) steps for Police Officer with six (6) months between steps 1-2, 2-3, 3-4 and one (1) year between the steps thereafter. There shall be two (2) steps for all other classifications, with six (6) months between steps.

B. Wages:

An annual wage increase of 100% of the June-to-June Consumer Price index for Urban Wage Earners and Clerical Workers (CPI-W), Seattle-Tacoma-Bellevue area, shall be applied to the base wage of bargaining unit members with a minimum of one percent (1%) and up to a maximum of five percent (5%). In the event the wage increase is not sufficient to maintain the current first (1st) place ranking in the market, an amount shall be applied to the base wage rate that is necessary to maintain the current first (1st) place ranking in the market. For purposes of this provision and for this contract only, the comparables to be used for determining the market are the cities of, Everett, Kent, Renton, Spokane and Vancouver, and the calculation of the net hourly wage shall be based on information publicly available as of July 31st of the year prior to the effective date of the wage increase. The net hourly wage shall be calculated for a ten-year patrol officer as follows:

1. Determine the net annual hours by subtracting annual vacation and holiday hours from annual scheduled hours.
2. Determining annual compensation by totaling the annual base pay, longevity pay, and education pay.

APPENDIX E
LETTER OF AGREEMENT
Between The
City of Tacoma
And
Tacoma Police Union Local #6, I.U.P.A

Subject: Community Service Officer

The City of Tacoma (“City”) and the Tacoma Police Union Local #6, I.U.P.A. (“Local 6”), (collectively, the “Parties”) enter into this Letter of Agreement (“LOA”).

Background

This LOA results from the Parties’ interest in having Community Service Officers (“CSOs”) perform work historically performed by employees in the Local 6 bargaining unit. To support the Tacoma Police Department’s (TPDs) vision of increasing perceptions of safety and decreasing preoccupation with crime among members of the community, the Parties agree that having alternative methods of receiving law enforcement assistance can be obtained by supplementing the work of commissioned law enforcement officers with limited commission CSOs.

Agreement

The Parties agree to the following terms and conditions:

1. A reduction in full-time funded commissioned positions in the Local 6 bargaining unit will not occur due to implementing the CSO classification. Additionally, the CSO classification will not supplant off-duty or special event assignments historically performed by commissioned Local 6 members.
2. The Alternate Report Unit (ARU) will continue to exist in its current form, and CSOs will not be assigned to work in the ARU.
3. The work described in the CSO classification specification (Attachment A) will be shared between the commissioned employees in Local 6 and the CSO classification. When CSOs are unavailable, commissioned Local 6 members will perform the duties of the CSO classification.
4. The Special Commission granted, and the duties assigned to the CSO classification shall not constitute skimming for the purpose of a grievance under the Local 6 Collective Bargaining Agreement.
5. The CSOs will be scheduled based on call volume analytics. Scheduling will be done in a manner that provides the most coverage for the type of calls a CSO can respond to.
6. Prior to hiring CSOs, the City and Local 6 will form a workgroup to discuss processes, policies, and procedures that may impact Local 6 members.

Letter of Agreement
City of Tacoma and Local

7. Background investigations for the CSO classification will be at a minimum at the same level as a background investigation conducted for Animal Control new hires.
8. The City agrees to voluntarily recognize the CSO classification as a bargaining unit after verification of majority support through a card check process.

This agreement will become effective upon the final signature of all parties.

TACOMA POLICE DEPARTMENT PROCEDURES MANUAL

06/2020 (n)

BODY WORN CAMERAS

Body worn cameras (BWC) are a valuable tool for promoting transparency in law enforcement by recording citizen contact with police officers. The Tacoma Police Department (TPD) uses body worn cameras to contemporaneously and objectively document citizen contacts. Video footage produced by body worn cameras may be used as evidence in civil or criminal investigations, unless prohibited by law, reviewed administratively for officer compliance with department policies (as set forth below), used as a tool in law enforcement training, and utilized as a reference in incident documentation. This paragraph is not subject to modification during the term of the parties' current collective bargaining agreement unless otherwise required by law.

It is the policy of the Tacoma Police Department that commissioned personnel working in a patrol function shall wear body worn cameras to record their encounters on duty.

The City agrees that it will not implement any changes to this policy during the term of the parties' current collective bargaining agreement that impact mandatory subjects of bargaining without first bargaining the decision. If subsequent changes in Federal or State law mandate changes that impact mandatory subjects of bargaining, the City agrees to bargain the impacts upon request.

A) Definitions

- 1) Advisement
Statement made by an officer that a communication, conversation or interaction with a citizen is being recorded.
- 2) Activation
The process that turns on the body worn camera and causes it to record or to store audio and video data.
- 3) Body Worn Camera
Camera system that captures audio and video signals, capable of being worn on an officer's person that includes, at minimum, a camera, microphone, and recorder.

B) Officer Responsibilities

- 1) Training
Prior to wearing and operating a body worn camera, officers are required to successfully complete department authorized body worn camera training. This training will include:
 - **Department Policy on BWC's**
 - **System preparation and operation**
 - **Placement of the BWC**
 - **Procedures for downloading and tagging recorded data**
 - **Scenario based exercises that replicate situations that officers may encounter**
 Officers shall attend refresher training on BWC's as directed by the department
- 2) Inspection

Officers shall inspect their BWC equipment at the start of every shift. If an officer discovers that the BWC equipment is not functioning, he/she will be responsible for notifying his/her supervisor, documenting the equipment failure in CAD, and ensuring that the equipment is submitted to the Computer Support Technician for repair. Officers will obtain a spare BWC from their sergeant or patrol operations desk officer when their BWC is being repaired or replaced.

3) Requirement to Wear the Body Worn Camera

All uniformed officers assigned a body worn camera are required to wear the camera while on duty. Officers shall affix their camera to the chest area of their uniforms where it is unobstructed by the uniform itself or equipment. This does not include circumstances in which the camera becomes unintentionally obstructed during police activity. Officers working in an off-duty assignment should only activate their BWC during enforcement and investigative contacts with civilians. Privately owned body worn cameras are not permitted.

4) Requirement to Use the Body Worn Camera

Officers are required to use their body worn cameras to record their law enforcement activity, to do so consistently and in accordance with department policy.

5) Procedures on Use of Body Worn Camera

- **Activation of the Body Worn Camera**

- a) Starting and ending the recording, when circumstances and officer safety permit:

- i. Officers shall activate the body worn camera prior to exiting the vehicle to any dispatched law enforcement activity. Nothing in this policy prohibits the officers from activating the camera earlier.
- ii. Officers shall activate the body worn camera when involved in any manner in a police pursuit, vehicle follow, fail to yield, and active police perimeter.
- iii. Officers shall activate the camera as soon as practical upon making the decision to engage in any self-initiated law enforcement activity.
- iv. Once the camera is activated, the officer shall leave it on until the incident has concluded. Officers should cease recording when their part of the active investigations is completed, and there is little possibility that the officer will have further contact with any person involved in the event.
- v. In an officer involved shooting, officers shall turn their cameras off upon instruction from their supervisor.
- vi. Officers should record on the body worn camera reasons for turning off the body worn camera if the officer stops the recording prior to the conclusion of the law enforcement activity.
- vii. Officers may, at their discretion, activate their BWC any time they determine it would be beneficial to capture an event or activity.
- viii. If circumstances prevent activation at the start of an event, the officer will activate the BWC as soon as practicable.

- b) Activation Amnesty

- i. No officer will be subject to discipline for failing to activate a camera for any reason for the first month or 16 shifts, whichever occurs later,

- after he or she is assigned to wear a BWC. Evidence of a failure to activate a BWC during the amnesty period shall not be used or considered for performance evaluations or discipline after this amnesty period
- ii. The amnesty period will apply again anytime an officer is reassigned to an assignment without a BWC for a period of six months or more, and then returns to an assignment with a BWC.
 - iii. Officers assigned to assignments without a BWC who work extra shifts on assignments with a BWC will not be subject to discipline for an unintentional failure to activate the BWC.
- c) Decision to Not Record
- i. Officers are required to record as much of the law enforcement activity as possible, but the sensitivity or exigency of a situation may warrant turning off, or not activating, the body worn camera. The decision to not record law enforcement activity shall be made by the officer wearing the camera and shall be determined by facts and circumstances, which must be justified. Facts supporting such a decision may include the following:
 - **When unsafe or impractical** – Law enforcement activity requiring a response that physically prevents an officer from activating the camera. Officers are advised to put safety ahead of the requirement to record the encounter. The amount of time driving to the call shall be a factor considered in determining if this section applies.
 - **Sensitive communications** – Law enforcement activity involving sensitive communications, matters of law enforcement intelligence or where recording the encounter could hinder a criminal investigation.
 - **When a citizen objects to being recorded** – If a citizen objects to being recorded, the officer may elect to record despite the objection. Since conversations with police officers are not considered private under Washington law this is no requirement that an officer turn off the camera for a citizen who objects to having the interaction recorded.
 - ii. Officers shall document by written report or CAD any decision to not activate the camera or to turn off the body camera prior to the conclusion of the law enforcement activity, and their reasons for doing so.
- **Advisement – When Required**
 - a) Conversations between uniformed police officers and citizens that occur during the performance of official police duties are not recognized as private conversations under Washington law and therefore generally do not require an advisement that the interaction is being recorded. The exceptions are traffic stops and custodial interrogations.
 - i. Officers conducting traffic stops while equipped with a body worn camera shall notify the occupants that there is an audio and video recording occurring. This warning should be given at the beginning of the contact, absent an emergent situation, and captured on the recording. The advisement should also be noted in the officer's report if enforcement action is taken.

- ii. Prior to a custodial interrogation, officers shall inform arrested persons that they are being audio and video recorded with a body worn camera. This statement, along with the Miranda advisement, shall be included in the recording.
- **Deactivation of BWC – Prohibitions and Exceptions to Recording**
 - a) Deactivation at Conclusion of Incident. Once activated, and subject to all exceptions set forth throughout this policy, the officer shall not purposely turn off the camera until the officer's involvement in the incident has concluded. The officer should cease recording when his or her part of the active investigation is completed, and there is little possibility that the officer will have further contact with any person involved in the event.
 - b) Temporary Deactivation of Audio Only. Audio recording contemporaneous with a BWC may be temporarily disabled for conversations with other officers or persons not involved with the call.

- **Recording Prohibited**

Unless specifically authorized by the chief of Police, the BWC shall not be used to record:

- a) Anything not involved with official duties
- b) Communications with other police personnel while not on a call
- c) Communications with undercover officers or confidential informants
- d) When on break or otherwise engaged in personal activities
- e) While in a jail unless for a direct law enforcement purpose
- f) While in the interiors of medical, mental health, counseling, or therapeutic facilities unless investigating a crime in progress (e.g. recording of an investigation of a crime committed at the facility, the drawing of blood at a facility following a DUI, the taking of a statement from a suspect or witness while in a facility, etc., would be permitted)
- g) While within the police station or substations, except when taking an in station report or placing a suspect into one of the temporary holding cells in the police station. If so, the officer should announce as he/she enters the station that he/she is recording. The officer should turn off his/her recording after the suspect is placed and secured in the temporary holding cell. The officer should activate his/her recording each time he/she has an interaction with the suspect in the cell until the suspect is released or transported to jail
- h) Any privileged conversations, such as attorney-client or labor privileged conversations

- **Discretionary Recording**

It is permissible under this Policy for officers to exercise reasonable discretion to not record events in the following circumstances:

- a) When the officer is in a location where individuals have a reasonable expectation of privacy (such as a bathroom or locker-room) and the officer is not there to effect an arrest or serve a warrant
- b) When respect for an individual's privacy or dignity outweighs the need to record an event. Such circumstances may include (without limitation) natural death scenes, death notifications, child or sexual assault victim interviews, and cultural or religious objections to being recorded
- c) Sensitive communications such as matters of law enforcement intelligence or where the recording could hinder a criminal investigation
- d) When the officer has an articulable basis, based on the facts and circumstances of the particular situation, that recording would be unsafe

6) End of Shift Responsibilities

Officers shall prior to the end of their shift or as soon as practical, follow the protocol to label, categorize, and upload videos to Evidence.com. Additionally officers shall download BWC footage as soon as practicable after a serious incident or when storage capacity is reaching its limit.

- **Officers unable to categorize body camera video prior to the end of their shift** shall notify a supervisor prior to securing and complete categorization at the beginning of their next regular or overtime shift, whichever occurs first; video footage shall be downloaded prior to going on days off.
- **Officers with take home vehicles who have to transfer videos at the end of shift** can dock their BWC at police operations ensuring that the upload process has begun on Evidence.com. Due to the length of time that it takes for videos to upload, it is not practical for officers to monitor the upload process. If a use of force or other significant incident was recorded, officers will contact a supervisor for direction. At the beginning of their next shift, officers will retrieve their BWC and confirm the upload process was completed. If the process did not complete, they will restart the upload process immediately at the beginning of their shift.
- **If an officer is involved in a shooting or other serious use of force and/or is suspected of wrongdoing** that requires the immediate relinquishment of the officer's police powers, the officer's supervisor should take physical custody of the BWC and will be responsible for downloading the data. The supervisor will take custody of the BWC out of public view. When an officer uses deadly force, the investigating agency may supervise the downloading of the video.

7) Document Use of the Body Worn Camera

Officers shall document in their police reports that they operated a body worn camera. In situations where no police report is written, officers shall indicate through CAD that they operated a body camera.

8) Video Not a Substitute for, But May Supplement, a Written Report

An incident captured on the body worn camera is not a substitute for a written police report. Officers must write a police report, if the situation requires, and may use the body worn camera video to supplement their documentation of the incident.

9) Report Problems

Officers shall promptly report to supervisor and/or computer support technician any problems they may encounter with the body worn camera or its operation.

10) Use of Spare Camera

Officers using a spare camera will contact supervisor for proper camera assignment.

11) Commuting

An officer who is not in possession of their body worn camera while commuting to and from their assigned shift and is involved in law enforcement activity shall document in their police reports that they did not operate a body worn camera. In situations where no police report is written, officers shall indicate through CAD that they did not operate a body camera. This documentation should include the reason for not operating a body worn camera.

C) Unauthorized Use of Body Worn Cameras and Video

D) Downloading of Videos

The only personnel allowed to download videos will be the public disclosure specialists, Body Worn Camera Supervisors and Administrators, Criminal Investigations Division, selected training staff, Internal Affairs, and specially trained department employees. Video downloads will be conducted for law enforcement purposes, purposes set forth elsewhere in this procedure and/or public records requests only.

If any downloads are needed from anyone not listed above, a request will be sent through the standard public disclosure request process.

E) Operation and Oversight of the Body Worn Camera Program

Operation and oversight of the body worn camera program is the responsibility of the Administrative Support Bureau, Body Worn Camera Supervisor.

F) Review of the Body Worn Camera Program

The body worn camera program shall be subject to ongoing review and evaluation by the Tacoma Police Department. The Chief of Police shall designate a committee to serve on a Body Worn Camera Review Board (BWCRB), which shall convene annually, to review the body worn camera program and the body worn camera policy and to make recommendations for the Chief's consideration. The committee shall include representatives from department BWC supervisor, computer support technician, Public Disclosure Video Review Analyst, and department administrative support specialist, Training, Investigations, Patrol, Quartermaster, accreditation, and the collective bargaining units.

G) Review of Body Worn Camera Video

- **By officers prior to completing their police reports or providing a statement** pursuant to an internal affairs or criminal investigation, subject to the following:
 - a) All officers in any administrative investigation will be allowed to view all footage of the incident prior to any interview or answering questions related to any administrative investigation.
 - b) Involved and witness officers in a deadly force investigation will be provided with and allowed to review relevant body worn camera footage prior to any interview or answering any questions. The body worn camera footage viewed by the involved and witness officer(s) should show actions, items or other relevant factors the officer could have seen from their vantage point and that could have been used in making a determination to use deadly force against an individual or individuals.
 - c) In the event there is a dispute over which body worn camera footage should be viewed by the involved or witness officer(s), the legal or bargaining representative of the officer, the lead deadly force investigator, and the prosecutor or their designee may consult with one another prior to the officer making a determination about providing a statement.

- **By any supervisor conducting a Blue Team administrative review. Review of** video shall be related to the specific complaint (s) and not used as the basis to randomly search for other possible violations. Discovery of other allegations during this review shall require the supervisor to articulate the purpose of expanding the scope of the review. Inadvertent discovery of significant policy violations (defined as those violations that would amount to a crime, excessive force, or retaliation/discrimination/biased based policing) noted during this review but not mentioned in the complaint shall be addressed at the lowest reasonable level, subject to collectively bargained disciplinary standards. Inadvertent discovery of all other policy violations (such as rudeness or procedural violations) shall not be the basis of disciplinary action. Any disagreements about the processing of these violations shall be handled between the Chief's office and the collective bargaining unit's president or representative.
- **By a supervisor investigating a specific act of officer conduct alleged in a** complaint of misconduct. Review of video shall be related to the specific complaint and not used as the basis to randomly search for other possible violations. - **The Tacoma Police Department acknowledges that video recordings provide** only a two dimensional perspective with limited vantage points of an incident. Consequently, no department member will ever rely solely upon the review of video recordings as the basis for discipline against an officer. Instead, the department shall review and consider all available evidence (including witness statements, officer interviews, forensic analysis, documentary evidence, etc.), prior to imposing discipline against an officer.

GPS Associated with BWC. In the event GPS or other location capabilities (hereinafter "GPS") are available with the BWC, the GPS will not be randomly reviewed or used for disciplinary purposes, but may be used for operational reasons for the purpose of officer safety, public safety, or efficient deployment of resources.

In the event of an accidental activation of the body worn camera where the resulting recording is of no perceived investigative or evidentiary value, the recording employee may request that the body camera video in question be deleted forthwith by submitting a written request, by email, including the date and time of the inadvertent/accidental recording through their chain of command to the Bureau Commander or designee. The Bureau Commander or designee shall approve or deny the request and forward the decision to the TPD Records Manager for action.
